LADIE'S OUTFITTERS.

Why it Will Pay You To Buy Invictus Shoes

You'll know the difference between good and bad leather only after you've worn it.

It's then that the inferior leather shows its defects, both in looks and wearing qualities.

When you buy a pair of "Invictus" shoes you are at the mercy of the maker.

If he puts inferior leather into them he's going to lose your future trade.

But if he uses good, high grade selected leather, it means that your purchases won't stop with the one pair—you'll become a permanent buyer.

Men who buy one pair of INVICTUS shoes keep on using them from year to year.

Because INVICTUS Shoes are made of the best selected leathers, by skilled workmen, on modern machinery, over stylish, up-to-date lasts.

They're made with the object of giving the maximum of wear, style and comfort that any shoes can give.
