The first match of the season for the lacrosse championship will probably be played on the Queen's birthday, and will be between the Montreal and Toronto clubs. It is to be hoped the home team will bear in mind their two defeats of last year, and will be ready for the fray with a strong dozen. It is certain the visitors will be fully prepared, and, according to their local papers, expect that the team they will put into the field this year will be vastly superior to any they have had for years past.

In the month of July Viscount Falmonth's valuable collection of stallions and brood mares will be put under the hammer by Messrs. Tattersall. The collection contains 40 animals, 5 of which are stallions, 16 are yearlings, 28 are mares. On April 28, at the opening meeting at Newmarket, 24 horses that are in training will be sold. Messrs. Bruce & Easton of the Fifth Avenue hotel have been commissioned to buy some of these animals and they expect many more orders.

Charles Mitchell, the fighter, tells the Boston Herald that he prefers ring encounters to fighting on the stage or platform. "I have a good job here for which I don't get much use for in hall exhibitions," he said; "with a glove on I can't do the execution I am capable of doing with bare knuckles. I am better in the ring than anywhere else, and I like it better because the work is sharper and more interesting. I don't believe in gymnasium work for a boxer. Walking is good enough for me, particularly as I'm a little lame."

The annual meeting of the Independent lacrosse club was held in their new hall, Queen street east, on Thursday evening, when the club was reorganized and the following officers elected for the ensuing year: President, John Fogg; vice-president, J. W. Morgan; sec-treas, J. Burns; asst-sec., C. Davis; field captain, John Fogg; committee, T. Walker, E. Costello, C. Adamson, E. Walsh and J. Mead. A committee was appointed to look after practice grounds. The following gentlemen were appointed delegates to represent the club at the approaching meeting of the National amateur lacrosse association: John Fogg, J. A. Hughes and John Murphy.

The Montreal lacrosse club has 510 paying and 83 life members, making a total of 593, an increase of 71 compared with last year. At the club's annual meeting on Wednesday night last, over 200 members were present, and the following officers were elected: President, H. W. Beckett, re-elected unanimously; 1st vice-president, Geo. R. Marier, re-elected; 2d vice-president, Wm. Cairns, re-elected; secretary, T. L. Paton, re-elected; treasurer, H. S. Tabbs, re-elected; committee, W. D. Aird, N. J. Fraser, Alfred Gardner, R. B. Ross, James Paton, James Thom and Geo. Aird. Messrs. George B. Stiles, Angus Grant and Hugh W. Beckett were elected delegates to the National lacrosse association.

Answers to Correspondents.

W. A. G. Walkerton—James O'Hagan, London.

You Can't Make \$300 by Reading This, —even if you have chronic hay fever in its worst stages, for although this amount of reward has for many years been offered by the proprietors of Dr. Sage's Catarrh Remedy for any case of catarrh they cannot cure, yet notwithstanding that thousands use the Remedy they are seldom called upon to pay the reward, and when they have been so called upon they have universally found that the failure to cure was wholly due to some overlooked complication, usually easily removed by a slight modification of the treatment.

Therefore, if this should meet the eye of anybody who has made faithful trial of this great and world-famed Remedy without receiving a perfect and permanent cure therefrom, that person will do well to either call upon or write to the proprietors, the World's Dispensary Medical Association, of Buffalo, N. Y., giving all the particulars and symptoms in the case. By returning mail they will get good advice free of all costs.

A Question to the Public.

—Reader have you a languid, weak and tired feeling, with nervous exhaustion, especially in the early spring? Then your liver is inactive and circulation poor. Arouse the torpid liver, cleanse the sluggish blood and regulate the secretions with that purifying tonic, Burdock Blood Bitters.

—Ayer's Sarsaparilla, the first blood medicine to give a real success, still holds its place as first in public estimation both at home and abroad, as shown by its miraculous cures and immensely increased sales.

—When a cold or other cause checks the operation of the secretory organs, their natural healthy action should be restored by the use of Ayer's Pills, and inflammatory material thereby removed from the system. Much serious sickness and suffering might be prevented by thus promptly correcting those slight derangements that, otherwise, often develop into settled disease.

—"They say love laughs at locksmiths" and we all know that a million combinations lock won't keep the average small boy in the house if there happens to be a circus in town or a favorable opportunity open for fixing a tin pot attachment to an orphan dog's tail, but only give him one of the Li-Quor Tea company's attractive boy's books and the enthusiastic way in which he will whistle "Home sweet home"—and stay there too, is surprising.

What It Has Done.

—Mrs. George Simpson, Toronto, says: I have suffered severely with corns, and was unable to get any relief from treatment of any kind until I was recommended to try Holeyay's Corn Cure. After applying it for a few days I was enabled to remove the corn, root and branch—no pain whatever, and so inconvenient in using it, I can heartily recommend it to all suffering from corns.

—Mother Graves' Worm Exterminator is pleasant to take; sure and effectual in destroying worms. See that you take no other and you will be satisfied.

Weather Probabilities.

—Forecasting the weather is uncertain at the best, but it is certain that you catch cold in this changeable climate you can best break its ill effects with Hagar's Tonic and Balsam, the most reliable and pleasant remedy for coughs, colds, bronchial and lung complaints. It is so agreeable that even a child will take it.

A Valuable Hint.

—Artizans, actors, sportsmen, mechanics and laboring men, in fact all who usually exert muscular strength, are subject to painful contractions of the cords, stiff joints and lameness; to all such Hagar's Tonic and Balsam is a prompt relief and perfect cure. low Oil is a prompt relief and perfect cure.

Names, Facts and Figures.

—Will be cheerfully given by the proprietors of Burdock Blood Bitters, regarding the many certificates of wonderful

cures made by that medicine in chronic diseases of the stomach, liver and kidneys, revealing proof that is beyond the possibility of dispute by the most incredulous.

246

Cure for Rheumatism.

Sufferers from either acute or chronic rheumatism will find no more ready relief or better cure than Hagar's Tonic and Balsam, the popular household remedy for external and internal use in all painful affections.

246

It Should be Investigated.

—If any of our readers are suffering from chronic disease of the stomach, liver, kidneys or blood, they should investigate the merits of Burdock Blood Bitters. It is making some of the most remarkable cures on record.

246

To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heartburn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer not only from indigestion, but from general debility, nervousness, and mental depression. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.
