

HOCKEY

GLENCOE 7; WATFORD 3.

Watford again went down to defeat on Tuesday evening before the fast Glencoe outfit in the first round of the N. H. L. series. The game was at no time lacking in pep and interest but the locals could not succeed in getting the rubber into the opposing net. Pretty rushes and clever plays were evident on both sides, but Fortune seemed to smile only for the visitors when it came to scoring.

The first period was very even, although Watford slid in their two goals before the visitors were warmed up, when they came back strong in the last few minutes of the round and scored three.

In the second round each team copped one, Glencoe scoring a moment after Watford tied.

In the third and last twenty minutes the visitors had the best of it throughout, and piled up three more, making seven—three in all. The game was very clean throughout and was well attended as usual by a large crowd of fans.

The return game will be played in Glencoe to-night (Friday.)

ALERTS 1; MIDGETS 0

On Friday evening last an exhibition game of hockey was staged between Clare Roche's Midgets and Williamson's Alerts, resulting in a victory 1-0 for the Alerts. Bobbie Bruce for the Midgets seemed to be the favorite with the large number of spectators who watched the game, while L. McNally defended his goal in a faultless manner and was responsible for the small score of the Alerts. The return game will be played at the Arena Friday evening 7 to 8. The following is the line-up:

Alerts—Goal, McNally; r. defense, Kersey; l. defense, Vail; centre, Prentis; r. wing, Cook; l. wing, Rogers, sub, Jackson.

Midgets—Goal, L. McNally, r. defense, McIntosh; l. defense, Jackson; centre, Bruce; r. wing, Newell, l. wing, McIntosh; sub, Spalding.

Referee—Williamson.

WATFORD 10; FOREST 1

Watford High School wins Group A title. Meets Sarnia Collegiate Saturday night at Sarnia (Semi-Finals). In an interscholastic feature of hockey last Thursday night Watford High School boys defeated Forest High to a score of 10-1.

The game was witnessed by very few persons, most of whom were High School students. The match opened very fast with much excitement. Ross for the visitors showed good stick handling and tallied their lonely goal first. Steadman of the locals came on fresh a few minutes before the period ended and notched two goals.

The second period opened with Watford on the top again. Stout, Calfy and Steadman, with very much energy in the game ran the score up to the 5-1 by the end of the period. The third period began with Watford pushing ahead. Forest had little confidence in the game then. Cheesy made some very spectacular rushes and netted two goals. McGillicuddy's checking on defence held the game to a score 10-1.

The Watford aggregation will go to Sarnia Saturday night. If all are up to the standard as in the previous game the green and white puck-chasers will no doubt give Sarnia a little opposition. Garvey Sarnia intermediates will likely lay down when he sees the kids get on the ice.

After the game the players were entertained at Mr. McKercher's residence.

The line-up: Watford (10)—Goal, Harper; l. defence, McGillicuddy; r. defence, Trenouth; centre, Steadman; r. wing, J. Kinnell; l. wing, J. Kinnell; subs, Vail, Roberts.

Forest (1)—Goal, Burke; r. defence, Doolittle; l. defence, MacIntyre; centre, Ross; r. wing, Proctor; l. wing, Roche; subs, McKellar, Middleton.

COMMUNICATION

We do not believe that the spirit which caused the Glencoe Hockey Executive to refuse to play the play-off with Sarnia in Watford is shared by the citizens of that hamlet.

Surely there prevails broader and more sportsmanlike feeling among the Scotchmen to our south. We regret the attitude of the Glencoe Hockey Management in this matter and believe that the Glencoe people themselves deplore such smallness.
