**A WONDERFUL WOMAN**  
People all over Canada are asking "Who is 'The Wonderful Heroine' whose life story—thrilling, romantic, inspiring—was published in the Family Herald and Weekly Star of Montreal. It is now announced that the story in pamphlet form may be obtained free of charge from the Family Herald by those who are not now subscribers to the paper.  
The publishers of that great farm and family paper also announce that a beautiful picture of "The Wonderful Heroine" will be sent free to all subscribers of the Family Herald and Weekly Star, new or renewal, who remit in time. It is indeed a remarkable offer, the Family Herald and Weekly Star for fifty-two weeks and a large picture of this splendid woman, who by her heroism, self-sacrifice and abounding trust and faith in God, by her sweet purity and astounding courage in the face of unspeakable horrors, came to be regarded as a living saint and the wonder woman of a Great Empire. The picture is in the true colors of the original, size 18 x 24 inches, on rich, heavy paper.  
The subscription price of the Family Herald and Weekly Star of Montreal, is only \$2.00 a year.  
**SEND THEM CANADIAN APPLES**  
When Christmas comes the question always arises what can we send to our friends "over home" that will not be too expensive, that will be appreciated and will savor of novelty. The answer this season is send them a sample of Canada's "sun kissed" apples. It will not only be patriotic, but they will be a treat. The Express Department of the Canadian National Railways has made effective a rate of \$3.00 for a box of 50 lbs, and measuring not more than one foot and eight inches to be shipped in cold storage from Canadian ports to any station on the railways of Great Britain and Ireland.

**Cause of Asthma.** No one can say with certainty exactly what causes the establishing of asthmatic conditions. Dust from the street, from flowers, from grain and various other irritants may set up a trouble impossible to irradicate except through a sure preparation such as Dr. J. D. Kellogg's Asthma Remedy. Uncertainty may exist as to cause, but there can be no uncertainty regarding a remedy which has freed a generation of asthmatic victims from this scourge of the bronchial tubes. It is sold everywhere.
