The Favorite

Medicine for Throat and Lung Difficulties has long been, and still is, Ayer's Cherry Pectoral. It cures Croup, Whooping Cough, Bronchitis, and Asthma; soothes irritation of the Larynx and Fauces; strengthens the Vocal Organs; allays soreness of the Lungs; prevents Consumption, and, even in advanced stages of that disease, relieves Coughing and induces Sleep. There is no other preparation for diseases of the throat and lungs to be compared with this remedy.

"My wife had a distressing cough, with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Glenn, had the measles, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this

Cough Medicine

to every one afflicted."—Robert Horton, Foreman *Headlight*, Morrilton, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. Its effects were magical. I was immediately relieved and continued to improve until entirely recovered."—Joel Bullard, Guilford, Conn.

"Six months ago I had a severe hemorrhage of the lungs, brought on by an incessant cough which deprived me of sleep and rest. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me."—Mrs. E. Coburn, 19 Second st., Lowell, Mass.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of Whooping Cough."—Ann Lovejoy, 1257 Washington street, Boston, Mass.
