**ADVICE TO MOTHERS.**—Mrs Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub wakes as bright as a button. It is very pleasant to take. It soothes the child, softens the gums, relieves pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

Dear Sir,—I beg to acknowledge the receipt of the Company's cheque for payment in full of Policy No. 1,721 in your Company, on the life of my late husband.  
It is especially gratifying to me, that your Company (noted for its prompt payment of claims) has taken such a liberal view in my case, as under the most favourable circumstances the claim was only an equitable one, and there was ample ground for difference of opinion respecting it.

Please convey to your Board of Directors my sincere thanks for the very prompt manner in which my claim was paid on the day on which the proofs were completed.

I remain, yours sincerely,  
GEORGINA ROGERS
