

Sparkles.

THE Indian smokes the pipe of peace, the Irishman a piece of pipe.

WIND THE CLOCK.—The best clock needs regulating and winding when the main spring runs down. So, too, when the human machinery gives out, it needs regulating, and the main spring (pure blood) needs tuning. Burdock Blood Bitters will regulate and tone all broken down conditions of the system. In purchasing B. B. B. beware of counterfeits.

LITTLE GIRL.—Please, mum, pa's got a chill, an' he wants to know if he can come over and shake yer carpets.

NINE YEARS' EXPERIENCE.

Medicine has for so many years, and by so many people, been tried without effect in treating Chronic Ailments, that the public welcome a new method of curing by electric medical appliances. They are especially effectual in Malaria, Rheumatism, Kidney and Liver Complaints. There is no company that has been able to utilize electricity so fully and satisfactorily as the Electric Pao Mfg. Co., of Brooklyn, N. Y. See their large advertisement in another part of the paper.

THE number of women who really care to vote is about equal to the number of men who like to put the baby to sleep.

Consumption Surely Cured.

TO THE EDITOR—

Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address. Respectfully, DR. T. A. SLOCUM, Branch Office, 37 Yonge Street, Toronto.

"WHAT a polite man Mr. Geestring, the violinist, appears to be!" "Indeed? I hadn't noticed it." "Oh, yes; bowing and scraping all the time."

A FAIR OFFER.—For many years the proprietors of Haggard's Yellow Oil have offered to refund the money to all purchasers of that medicine, where it failed to give relief in case of pain or painful affections, such as rheumatism, neuralgia, sore throat, deafness, burns, bruises, sprains, stiff joints and cords, and internal or external inflammation.

"I SUPPOSE your life has been full of trials?" remarked the lady of the house to a tramp soliciting a bite to eat. "Yes, mum; an' the wust of it was I allus got convicted."

GOLD FIELDS.

that pan out richly, are not so abundant as in the early California days, but those who write to Hallett & Co., Portland, Maine, will, by return mail, receive free, full information about a work which they can do and live at home wherever they are located, that will pay them from \$5 to \$75 a day and upwards. Either sex, young or old. Capital not required; you are started in business free. Those who start at once are absolutely sure of snug little fortunes.

"Ah," said a conceited young parson, "I have been preaching to a congregation of asses." "Was that the reason you called them brethren?" inquired a strong-minded lady.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device just introduced into Canada by the Dental Medicated Electric Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

A BANKER, who was inclined to be generous thus addressed an employe: Here are 500 francs for you as a reward for good behavior the past year; or rather 487.50 francs, as I have deducted two and one-half per cent. for cash.

Horsford's Acid Phosphate.

Beware of Imitations.

Imitations and counterfeits have again appeared. Be sure that the word "Horsford's" is on the wrapper. None are genuine without it.

THE Early Rose pertaining to the potato family is now superseded by the early roses pertaining to the shad, sometimes called the shadblow. It is not the early rose but the shad that catches the worm.

AN IRISHMAN'S BULL.

We are surrounded by difficulties and dangers, said Pat, from the cradle to the grave, and the only wonder is that we ever live long enough after leaving the one to reach the other. The greatest danger lies in allowing the seeds of disease to grow in our system. If you feel dull and drowsy, have frequent headaches, bad taste in mouth, coated tongue, poor appetite, you are suffering from a torpid liver. Take Dr. Pierce's "Golden Medical Discovery" if you would destroy those seeds and avoid reaping a harvest of suffering and death.

An elderly wit called to present his congratulations to a New York bank president on the latter's birthday. "Well, my friend," said the wit, "how old are you?" "Seventy-five." "Hum, seventy-five; well I hope you will rise to par."
