CEYLON TEA COMPANY

WHAT "THE TIMES" OF CEYLON

Says of this Company, May 4th, 1889.

"We are asked by a Correspondent, 'Which Company for the sale of Ceylon Tea at home, does the largest business?' and we really do not think that anybody can answer this question. In all probability, the Ceylon Tea Growers, Limited (Khangani Brand), sell more Tea than any other company, and in the course of twelve months, must sell a very large quantity of Tea."

This is indisputable evidence that this Company is a GENUINE CEYLON TEA COMPANY.

YORKVILLE AVENUE, TORONTO, OCT. 29, 1891.

For the benefit of those who see nothing but suffering and death before them I wish to say there is hope for you yet. I have been in a like condition myself and owe my restoration to health to the ever reliable HISTOGENETIC REMEDIES. Last Spring I was utterly prostrated by a severe attack of la grippe, which resulted in bronchitis and other serious complications. When my case seemed perfectly hopeless, my friends decided to try the Histogenetic Remedies, and in less than three days a change for the better was so apparent that we were all inspired with hope. I continued the treatment for a number of weeks, progressing slowly but surely day by day. I am now comfortably well and am still gaining in strength and power of endurance, and am a wonder to those who knew how hopeless my case was. To show my gratitude to Dr. J. Eugene Jordan for his wonderful remedies and to my Heavenly Father for commanding His blessing to rest upon them, I take this way to let all afflicted ones know where they may find help in time of trouble.

MRS. H. P. SNOW. I can vouch for the truthfulness of the above statement. P. S. CAMPBELL, McMaster University.

DONALD KENNEDY

Of Roxbury, Mass., Says :

Strange cases cured by my Medical Discovery come to me every day. Here is one of Paralysis—Blindness—and the Grip. Now, how does my Medical Discovery cure all these? I don't know, unless it takes hold of the Hidden Poison that makes all Humor.

VIRGINIA CITY, NEVADA, Sept. 9th, 1891.

Donald Kennedy—Dear Sir I will state my case to you. About nine years ago I was paralyzed in my left side, and the best doctors gave me no relief for two years, and I was obliged to try your Discovery, which did its duty, and in a few months I was restored to health. About four years ago I became blind in my left eye by a spotted cataract. Last March I was taken with La Grippe, and was confined to my bed for three months. At the end of that time, as in the start, then it struck me that your Discovery was the thing for me; so I got a bottle, and before it was half gone I was able to go to my work in the mines. Now in regard to my eyes, as I lost my left eye, and about six months ago my right eye became affected with black spots over the sight as did the left eye—perhaps some twenty of them—but since I have been using your Discovery they all left my right eye but one; and, thank God, the bright light of heaven is once more making its appearance in my left eye. I am wonderfully astonished at it, and thank God and your Medical Discovery. Yours truly, HANK WHITE.

Sparkles.

A FRENCHMAN of some literary distinction, after studying English for a few months, wrote to an American friend: In small time I can learn so many English as I think I will come at the America and go on to the scaffold to lecture.

J. H JACKSON, of Croton, N. Y., writes that WISTAR'S BALSAM OF WILD CHERRY cured his wife of lung difficulty, with spitting of blood, after she had been under a physician's care for more than a year and used many remedies with out avail.

A SUCCESSFUL competitor for the prize in a foot race made this graceful temperance speech in accepting it: "Gentlemen, I have won this cup by the use of my legs; I trust that I may never lose the use of my legs by the use of this cup.

THE reason why Burdock Blood Bitters leads all other medicines in the race for popularity is because it is absolutely pure, cannot harm the most delicate invalid, and never fails to cure biliousness, dyspepsia, bad blood, constipation, etc.

SUNDAY school teacher: D n't you think it very strange that the lions didn't eat Daniel? Sunday school scholar: No, sir; not since I saw that picture of him in my Sunday school book.

BRECHAM'S PILLS act like magic on a Weak Stomach.

"THERE goes a spanking team," remarked Willie Brown to Tommy Jones as the two boys' mothers walked down the street together.

DEAR SIRs,—Last summer my younger sisters were taken very badly with croup, indeed we were almost in despair, having little hope of curing them. Finally we applied Hagyard's Yellow Oil, and to our great joy it cured them perfectly, and they are now enjoying the blessing of perfect health.—ANNIS JOHNSTON, Dalhousie, N.B.

THE usual way—Madge: Does Anna play the piano? Millicent: Well, she labours at it; one can hardly call it "playing," you know.

DEAR SIRs,—This fall and winter I suffered from neuralgia in my face and had the best medical advice without avail. I at last thought of trying B.B.B. and after using one bottle have not felt any symptoms of neuralgia since. I regard it as a fine family medicine.—J. T. DROST, Healslip, Man.

"BUT Henry has talent, father." "May be, child, may be; but you can't live on that without a little bacon to mix with it."

DEAR SIRs,—My mother was attacked with inflammation of the lungs which left her very weak and never free from cold, till at last she got a very severe cold and cough. She resolved to try Hagyard's Pectoral Balsam, and, on so doing, found it did her more good than any other medicine she ever tried.—MRS. KENNEDY, 50 Smith Ave., Hamilton, Ont.

It is rather tough on a doctor's son to be named William and have to sneak through the elysium of youth under the opprobrious title of "the doctor's Bill."

SIRs,—I have great reason to speak well of your B. B. Bitters. I have taken six bottles for myself and family and find that for loss of appetite and weakness it has no equal. It cures sick headache, purifies the blood and will not fail when used. I heartily recommend it to all wanting a pure medicine.—MRS. HUGH MCNUTT, Truro, N.S.

AN Irish journal has this gem in answer to a correspondent: "We decline to acknowledge the receipt of your post-card." Which is very much like the Corkonian who travelled into Kerry to an insulting enemy to "tell him to his face that he would treat him with silent contempt."

DEAR SIRs,—I have been troubled with Lame Back for about six months, and thought I would try Hagyard's Yellow Oil, which cured me. Am now free from all pains, and recommend Yellow Oil very highly.—FRANK PALMER, Winona, Ont.

THOMAS HOOD, driving in the country one day, observed a notice beside a fence, "Beware the dog." There not being any signs of a dog, Hood wrote on the board: "Ware be the dog?"
