in bed,
And the roof is thick with snow,
The sentry of the 85th
Goes pacing to and fro.

When Highland laddies march to
war,
They carry on their back
Their blanket, kit and water bottle
And roomy haversack.

simple duties that are often so tiresome, you will have helped to win the great war and save the British Empire. Boys and girls of Nova Scotia. I am depending on you to help fill up the three Nova Scotia Highland Battalions.
