Danger Ahead.

There is danger ahead from neglected colds. A tight cough and irritated throat are the warning signs of lurking danger to the lungs. Hagyard's Pectoral Balsam cures colds, sore throat, stubborn coughs, and all bronchial and lung troubles.

Brown and gray blue are much seen in lady like costumes.

Give Holloway's Corn Cure a trial. It removed ten corns from one pair of feet without any pain. What it has done once it will do again.

Figured tissues have plain materials to correspond.

Why Is It?

Why do so many limp and hobble about on sticks and crutches, suffering from rheumatism, stiff joints, and cords, lame back, sprains and other aches, pains and lameness, when Hagyard's Yellow Ointment, an unfailing relief, can be purchased at a trifling cost of twenty-five cents?

The beads comprising silver necklaces are of one size.

It is worse than madness to neglect a cough or cold which is readily subdued if taken in time by the use of Bickel's Anti-Consumptive Syrup, when left to itself, the fore-runner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickel's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs.

If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickel's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

"Are you a philanthropist, sir?" asked an old gentleman of a young man who was distributing a quantity of buttercups to some children. "Am I a what?" said the young man. "A philanthropist?" "No, sir; I am a dentist."

Florida, "The Land of Flowers."

is a paradise for the invalid, and the "Fountain of Youth" was one thought to be hid in one of its forest glades. It is now the haven of many consumptives, who find benefit in her genial warmth and fragrant flowers. The consumptive invalid need not necessarily go so far from home and friends to get relief. For if not in the last stages of the disease, Dr. R. V. Pierce's "Golden Medical Discovery" will restore to perfect health. For all chronic, bronchial and lung diseases it is a most reliable specific. By druggists.

What word is that composed of five letters from which if you take two one remains? Stone.

Mother's Smiles are the Sunlight of Home.

There would be fewer clouds and brighter sunshine in many households if every disappointed suffering woman realized what a boon Dr. Pierce's "Favorite Prescription" is for all weaknesses and maladies to which her sex is liable. No lady who gives this wonderful remedy a trial will be disappointed by the result. It not only acts promptly upon all functional derangements, but by its rare nursing and for its properties strengthens and repairs the whole feminine system. Price reduced to one dollar. By druggists.

More than four thousand devices for coupling have been patented, and yet thousands of bachelors and maidens go it alone in this country.

It cures all—Dr. Sage's Catarrh Remedy.

"Don't you think this bonnet is a little too young for me?" inquired Mrs. Shuttle off Job, as she was doing her final "prinking" at the glass, before going out. "Never mind if it is. You won't have it more than six weeks before it will be 'too old,' and you will want a new one."

Mr. John Magwood, Victoria, B.C., writes: "Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for 9 or 10 years with dyspepsia, and since using it digestion goes on without that depressed feeling so well known to dyspeptics. I have no hesitation in recommending it in any case of Indigestion, Constipation, Heartburn, or troubles arising from a disordered stomach."

Which is the longest word in the English language? "Smiles," because there's a mile between the first and last letters.

A cure for drunkenness, opium, morphine, chloral, tobacco, and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it if so desired. Send 60 in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington St. East, Toronto, Ont. Cut this out for future reference. When writing mention this paper.

Sam Jones, the revivalist, is a small eater. He is fond of oatmeal, milk, fruit, lemonade and only drinks coffee occasionally.

If a few grains of common sense could be infused into the thick noodles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives, they would use the highly accredited and healthful laxative and tonic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which causes "good digestion to wait on appetite, and health on both."
