**THE WHITE**

Sewing Machine is the best machine to buy. There is no exaggeration in the following statements.

**EXTREMELY SIMPLE.**—No eye to thread but the eye of the needle.

**LIGHT RUNNING.**—It can be run with a single thread of spool cotton in place of the leather belt.

You can thread the shuttle with your eyes shut.

You can set the needle without looking at it.

When once started it will wind the bobbin like a spool, without a hand to it.

The belt is put on by simply laying it against the wheel under a spring; it adjusts itself.

The most convenient machine for those with sight or the blind. Used in the Asylum for the Blind at Brantford.

A great variety of convenient attachments with the WHITE.

Be sure you see the WHITE before purchasing anywhere.
