LIFE BECAME A BURDEN.

The After Effects of La Grippe Developed Into Inflammation of the Lungs and Chronic Bronchitis—Four Years of Great Suffering.

[From LeMonde, Montreal.] Mrs. Sarah Cloutier, who resides at No. 405 Montcalm Street, Montreal, has passed through an experience worthy of widespread publication for the benefit it may prove to others. Up to four years ago, Mrs. Cloutier's health had been good but at that time she was attacked by that dread scourge, la grippe. Every fall since, notwithstanding all her care to avoid it, she has been afflicted with inflammation of the lungs, which would bring her to the very verge of death. This was followed by bronchitis for the rest of the year. Her bronchial tubes were affected to such an extent that it was with difficulty she could breathe, and a draught of outside air would make her cough in the most distressing manner. "There was," said Mrs. Cloutier to the reporter, "a constant rattling sound in my throat, and in the state I was in, death would have been a relief. It was in vain that I tried the numerous remedies given me by various doctors, and when I think of all the money they cost me I cannot but regret I have ever tried them. I had read frequently of the cures effected by Dr. Williams' Pink Pills and I felt that they must contain the truth, for if they were unfounded none would dare to give the names and addresses of the persons said to be cured in the public manner in which these are given in the newspapers. I decided to try Pink Pills, and only those acquainted with my former condition can understand the good I have derived from their use. As a proof that I am cured I may tell you that on the first occasion of my going out after my recovery I walked for two miles on an up hill road without feeling the least fatigue, and since that time I have enjoyed the best of health. Last fall I was afraid the inflammation of the lungs to which I had been subject at that period in former years might return, but I had not the least symptom of it, and I never felt better in my life. You can imagine the gratitude I feel for Dr. Williams' Pink Pills, and I earnestly recommend them to all who will heed my advice.

A depraved or watery condition of the blood or shattered nerves are the fruitful sources of almost every disease that afflicts humanity, and to all sufferers Dr. Williams' Pink Pills are offered with a confidence that they are the only perfect and unfailing blood builder and nerve restorer, and where given a fair trial disease and suffering must vanish. Pink Pills are sold by all dealers or sent by mail on receipt of 50 cents a box or \$2.50 for six bottles, by addressing the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady N. Y. Beware of imitations and refuse trashy substitutes alleged to be "just as good."

Will the gentleman who called at GRIP office on the 10th and left \$4 when the manager was out, kindly send his name so the money may be placed to his credit.

APPLETON'S POPULAR SCIENCE MONTHLY

Edited by WM. JAY YOUMANS.

The Popular Science Monthly is without a competitor.

It is not a technical magazine. It stands alone as an educator, and is the best periodical for people who think.

All its articles are by writers of long practical acquaintance with their subjects, and are written in such a manner as to be readily understood.

It deals particularly with those general and practical subjects which are of the greatest interest and importance to the people at large.

Besides this, it keeps its readers fully informed of all that is being done in the broad field of science.

A reference to the contents of any of the late numbers will more than confirm the foregoing statement. \$5.00 per annum; specimen copy, 25c.
