

NIL DESPERANDUM.

THE FIRST FAILURE HAS YET TO BE RECORDED.

A CONTINUOUS FLOW OF GRATITUDE FROM MONTREAL PARENTS.

Madam Jules Lafamme, 113 Plessis St., says: I have been a sufferer for four long years from Chronic Bronchitis, and I have been treated by my Doctor and employed many remedies but nothing seemed to give me any relief, but thanks to Dr. Laviolette's Syrup of Turpentine, I am now completely cured and I can honestly recommend this preparation to all who may be sufferers from this terrible disease.

Mad. Jos. Beauchamp, 400 Plessis St., says: My little girl five months old suffered from a severe attack of Bronchitis, two 25c. bottles of Dr. Laviolette's Syrup of Turpentine effected a complete and permanent cure.

Mad. Alex. Deschamps, 156 Plessis St., says: My baby-boy seven months old, suffered from a severe attack of Bronchitis for four months, and I am happy to state that he has been completely and permanently cured by using Dr. Laviolette's Syrup of Turpentine. I have the greatest confidence in this wonderful remedy and I cannot commend it too highly.

Mad. Paul Quintal, 314 DeSalaberry St., says: My little girl 13 months old, suffered from a bad attack of Bronchitis and she has been perfectly and permanently cured by using one 50c. bottle of Dr. Laviolette's Syrup of Turpentine.

Mad. G. Parent, 72 Panet St., says: I suffered from Bronchitis for two years and I have been completely cured by using three 25c. bottles of Dr. Laviolette's Syrup of Turpentine. I consider that the cure in my case was simply marvellous and I cannot speak too highly of this successful remedy.

Mad. Jos. Renaud, 256 Panet St., says: I suffered for one month from a bad attack of Bronchitis and I have been completely cured by using Dr. Laviolette's Syrup of Turpentine.

Mad. Fabien Pellerin, 12 DeSalaberry St., says: I suffered for ten long years from Chronic Bronchitis during which period I received the treatment of a number of Doctors and I also employed all known remedies, and although in some cases I did get temporary relief, my Bronchitis always returned as severe as ever. I was advised by a friend to try Dr. Laviolette's Syrup of Turpentine, with the result that I am to-day perfectly cured. Not the slightest sign of Bronchitis remaining. I only used six small bottles of this wonderful remedy for my complete treatment and I want everybody to know that Chronic Bronchitis can be permanently cured at last.

Mad. Eugene Gagnon, 246 Panet St., says: My little girl two years old suffered for six months from a severe attack of Bronchitis. Three 25c. bottles of Dr. Laviolette's Syrup of Turpentine effected a competent and permanent cure, and it affords me great pleasure to add my name to the large list of grateful people who already testify to the efficacy of this wonderful remedy.

Mademoiselle Adeline Drolet, 280G Panet St., says: I have been a sufferer for three years from Bronchitis, and during that time I have employed a large number of remedies without having received any apparent benefit, but thanks to Dr. Laviolette's Syrup of Turpentine which I call Dr. Laviolette's Bronchitis cure, I am to-day perfectly and permanently cured of my Bronchitis. I only used three small bottles of this wonderful remedy.

Mad. Jos. Guenard, 211 Panet St., says: My boy six years old suffered two weeks from what our family doctor pronounced to be a very bad attack of Bronchitis. He prescribed Dr. Laviolette's Syrup of Turpentine. Two 25c. bottles of this preparation effected a complete cure.

(To be continued next week.)

The publication of the hundreds of testimonials I am daily receiving will occupy many columns of the TRUE WITNESS. It will be continued every week during the winter. Persons desirous of verifying their correctness can cut out and preserve this column and apply at the addresses given.
