

A WIFE WANTED.—A missionary's home has been rent by the death of a beloved one. He needs a comforter, and a counsellor, and a friend. The vanity of this world and the things of it put them all together, and they will not make a help meet for man. They will not suit the needs of the soul, nor supply its needs, nor satisfy its just desires, nor run parallel with its never failing "ardour." Therefore, it being not good for man to be alone, God created woman to be a help meet for him. See Genesis i, 18; Prov. xv, 22. The applicant must possess a healthy body, in process of formation, six hundred thousand volunteers, and the enlistments for the regular service are more than heretofore numerous.

It has been officially ascertained that the American Government has now in the field, in camp, and in process of formation, six hundred thousand volunteers, and the enlistments for the regular service are more than heretofore numerous.

SITUATION WANTED.

A SITUATION as BOOK-KEEPER is wanted by a Gentleman with five years' experience of Book-keeping, and who can produce excellent testimonials. For particulars apply to this Office; if by letter, post-paid. Nov. 28.

FATHER FABER'S LAST GREAT WORK.

Just Published, uniform with FATHER FABER'S other Works, Price in Cloth 75 cts.; Cl. Gt. Edges, \$1.25.—By Mail, on receipt of the price in Gold, or P. O. Stamps.

BETHLEHEM, By Frederick William Faber, D. D.

CONTENTS.

Chap. I.—The Bosom of the Eternal Father.—Chap. II.—The Bosom of Mary.—Chap. III.—The Midnight Cave.—Chap. IV.—The first Worshipers.—Chap. V.—The Infant God.—Chap. VI.—Soul and body.—Chap. VII.—Calvary before its Time.—Chap. VIII.—Heaven Already.—Chap. IX.—The feet of the Eternal Father.

The name of the distinguished Author, whose Works have already become so popular in England and this country, as well as on the Continent, where they have been translated, and met with an immense sale, is sufficient to invite attention to this past production of his genius, learning and piety. Like Father Faber's other Works, it abounds in passages of rare learning, exquisite beauty, graceful imagery, and most tender piety. To at least many of the 50,000 who have read his other Works, particularly his "All for Jesus" this last production of his literary hand will be more of his deep, active love for that genius, and blessed Saviour of men, will be more than make welcome visitor; an offering better than treasures of gold and silver. If any were at this moment, when thrones are crumbling, and nations are falling to pieces or being humbled to the dust, it is in the stable, and by the crib of the Babe of Bethlehem that the proud and the wise of the world may learn the worth of the saying: "Vanity of vanities, and all is vanity; except to love God, and to serve Him alone."

UNIFORM SERIES OF FATHER FABER'S WORKS.

Clergy, and others ordering in quantities. Upwards of 50,000 copies of Father Faber's Works have already been sold in this country, and the demand is constantly increasing?

Universally esteemed as the Most Popular Devotional Works Published during the present Century. One of the most eloquent and distinguished clergymen in the United States, in writing an Introduction to one of Father Faber's Works, says: "We turn to this last work of the Rev. Dr. Faber with sentiments of gratitude to heaven, and hope for its abundant blessing on the teachings of such a guide, which our most earnest language would not faintly express. If the power to conceive and convey to others the sublime, and at the same time, the most practical truths that can interest the human mind, be a title to the homage of men, then has Father Faber established for himself a claim, which no length of years nor change of circumstances can efface. Few writers since the days of St. Francis de Sales, have made more Christian hearts bow in loving adoration before our tabernacles than the author of 'All for Jesus,' 'The Blessed Sacrament,' 'Growth in Holiness,' &c. Ayer's Pills

Are particularly adapted to derangements of the digestive apparatus, and discharges arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these Pills are found to cure many varieties of disease.

AS A FAMILY PHYSIC. From Dr. E. F. Cartwright, of New Orleans. "Your Pills are the prince of purges. Their excellent quality surpasses any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease."

FOR JAUNDICE AND ALL LIVER COMPLAINTS. From Dr. Theodore Bell, of New York City. "Not only are your PILLS admirably adapted to their purpose, as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any other remedy I can mention. I sincerely rejoice that you have lengthened a purgative which is worthy the confidence of the profession and the people."

DYSPEPSIA—INDIGESTION. From Dr. Henry J. Knaz, of St. Louis. "The PILLS you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine. So peculiar are they suited to the diseases of the human system, that they seem to work upon them alone. I have cured some cases of dyspepsia and indigestion with them, which had resisted the most remedial measures. Indeed, I have experienced the mental relief from them to be effectual in almost all the complaints for which you recommend them."

DYSENTERY—DIARRHŒA—RELAX. From Dr. J. G. Green, of Chicago. "Your PILLS have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their active effect upon the Liver makes them an excellent remedy, when given in small doses, for bilious dysentery and diarrhœa. Their sugar-coating makes them very acceptable and convenient for the use of women and children."

INTERNAL OBSTRUCTION—WORMS—SUPPRESSION. From Mrs. E. Stuart, who practices as a Physician and Matron in Boston. "I find one or two large doses of your PILLS, taken at the proper time, are excellent promoters of the natural secretion of bile, and thereby suppress, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients."

CONSTIPATION—COSTIVENESS. From Dr. J. P. Vaughn, Montreal, Canada. "To much cannot be said of your PILLS for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from this complaint, which, although not dangerous in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your PILLS affect that organ and cure the disease."

IMPURITIES OF THE BLOOD—SCROFULA—ERYSIPELAS—SALT RHEUM—TERTIARY TUMORS—RHEUMATISM—GOUT—NEURALGIA. From Dr. E. Eastell Hall, Philadelphia. "You were right, Doctor, in saying that your PILLS purify the blood. They do that. I have used them of late years in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that lodge in the blood, engendering disease. They stimulate the organs of digestion, and infuse vitality and vigor into the system."

"Such remembrance of you prepare are a national benefit, and you deserve great credit for them."

FOR HEADACHE—SICK HEADACHE—FOUL STOMACH—PILLS—DROPSY—PLETHORA—PARALYSIS—FITS—&c. From Dr. Edward Boyd, Baltimore. "Dear Dr. AYER: I cannot answer you what complaints I have cured with your PILLS better than to say all that ever cured with a purgative. I have used them in every case, and on an effectual cathartic in my daily contest with disease, and believing as I do that your PILLS afford us the best we have, I of course value them highly."

"Most of the PILLS in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or other substance whatever."

Ayer's Cherry Pectoral

Has been manufactured by a practical chemist, and every drop of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, and consequently can be relied on as genuine, without qualification. It supplies the sweet remedy the world has ever known for the cure of all pulmonary complaints, for COUGHS, COLDS, HOARSENESS, ASTHMA, CHRONIC BRONCHITIS, CONSUMPTION, INFLUENZA, AND ALL AFFECTIONS OF THE THROAT AND LUNGS. It is extensively used by the most intelligent Physicians. If there is any dependence on what men of every station certify it has done for you, you may trust to your own senses when we see the danger; if we can depend on the assurance of intelligent Physicians, whose business it is to know; in short, if there is any reliance upon any thing, then it is irrefragably proven that this medicine does cure the chest and lungs, and carry off the impurities that lodge in the blood, engendering disease. Nothing but its intrinsic virtues, and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies have been thrust upon the community, and failed, and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten, and produced cures so numerous and remarkable to be forgotten.

Prepared by Dr. J. C. AYER, PRACTICAL AND ANALYTICAL CHEMIST, LOWELL, MASS.
