KENNEDY'S PATENT IMPROVED Earth Closets and Bedroom Commodes

[BEDROOM COMMODORE.]

were AWARDED THE FIRST PRIZES at the Dominion Exhibition at London, 1883, in competition with the much boasted Patent Dry Earth Closets claiming 16 First Prize Medals in different countries of Europe and America, including Gold Medal at Amsterdam in 1883 and Special Silver Medal at Toronto, 1885.

The London Fair is the only one at which Kennedy's Patent Closet has yet been exhibited.

Don't be duped with large and loud advertisements. We have many bitter complaints from persons who by such have recently been humbugged into buying unsatisfactory Earth Closets, some of which have already been cast aside and ours bought to replace them.

READ!

"Twenty-five of these Commodes were supplied to the Mount Royal Hospital, Montreal, and the Medical men and lady nurses in charge expressed themselves well pleased and satisfied with them."

Professor Goldwin Smith says:—"I have pleasure in testifying that the Earth Closets (3) supplied by your Company to houses occupied by members of my household, are found to work extremely well and to be very conducive to health and comfort."

"Very Rev. Dean Boomer (London), is pleased to testify to the value and usefulness of the Bedside Commode, supplied to him by Mr. Heap. It has fulfilled all the promises made for it in the printed circular, and he strongly recommends it for the use of invalids." [We may add, it is a No. 9 Full-up Commode and stands by the Dean's bedside, he being a confirmed invalid.]

Telephone No. 65. Patent Rights for sale.

WITH REFERENCE

to Kennedy Bros.' advertisement, stating that

THE HEAP'S CLOSET COMPANY

does not mean to appeal to a superior Court from the judgment given Oct. 30th, 1885, in the suit of Heap vs. Kennedy. It is a deliberate untruth, and merely an attempt to mislead the public. We are appealing the case, and are determined to prosecute infringers of this and all our other patents.

FACTS!
