Mercantile Summary.

AT HALIFAX the imports for July were \$794-
474 this year against \$609,722 last year.

GOODS WERE imported at Winnipeg during
the last fiscal year to the amount of \$580,886.

IMPORTATIONS AT St. John, N.B., for July
were valued at \$628,943 against \$417,684 in
July, 1871.

IT IS STATED that a flouring mill, with five
run of stones, is about to be erected by a Mr.
Whitehead in Toronto. The site chosen is on
the Esplanade, near Capt. Taylor's wharf.

ON THE hustings in the central division of
Toronto, Sir John Macdonald dwelt at some
length upon the trade policy of his government,
expressing himself strongly in favor of incidental
protection, and intimated that 20 per cent.
would be levied on such articles as cottons and
woolens for the purpose of providing revenue
and encouraging home manufactures. Making
all due allowance for the latitude exercised in
stump speech-making, it may be fairly assumed
that the government are thoroughly committed
to an advance in the duties upon all articles
which Canada is prepared to manufacture for
herself.
