Do you know, Mr. Manager, that not a year ago, the Paris Grand Orient, the Belgian Goblet d'Aviella, (not the French rageur Goblet); the grand patriarch Ad. the Owen Sound Times. Last fall when the Times gave an account of the miraculous cure of Mr. Wm. Belrose through the use of Dr. Williams' idea that we would be called upon to write up a case which is even more remarkable. The case referred to is that of Mrs. John C. Monnell, whose cure has been effected by these marvellous little messengers of health. The Times' reporter was met at the door by Mrs. Monnell, who, though showing a few traces of the suffering she had undergone, moved about very sprightly. With apparently all the gratitude of a man who had been saved out of the deepest affliction, Mr. Monnell gave the following account of his wife's miraculous cure. I have been in the employ of the C. P. R. home from my work I was informed of the fact, and next morning called in the family physician. The limb swelled in a very short time to an enormous size. Every means known was adopted to reduce the inflammation, but without avail. Consulting physicians were called in, but all the satisfaction they could give me was that ing of the legend of this grade, which the doctors in attandance were doing their utmost. A tank was rigged up, a long line of rubber hose attached and wound around the afflicted limb and ice Now, Mr. Manager, another piece of water allowed to trickle down through the piping to relieve, the pain and reduce the inflammation above the knee. The leg sic, which is the most important masonic organ in Germany, wrote in June, 1880, (please send for it and get it translated): "The masonic union cannot be slated."

The masonic union cannot be shown and be shown as the shown as wait any longer to mark out the exact formed. For five long, anxious months I lets and volumes, with much correspondence published: so that, before the Slavery question was pressed amongst them, all parties had merged into Masons and anti-Masons. Several persons were punished for the abductice of Morror.

"We spent \$275 in doctors lees and other expenses without avail, before beginning the use of Dr. Williams' Pink Pills," said Mr. Monnell, "and it seems marvellous that my wife, who a few months ago was considered past human aid, has by this wonderful medicine been pestoged to health and strength:" and the restored to health and strength:" and the Times concurs in the conclusion.

Mr. Monnell is one of the C. P. R. staff of clerks at this port, and he is always willing to tell of the cure effected. But there are hundreds of witnesses to the truth of his statements both in Owen Sound and at Toronto, were he resided up to two months

Dr. Williams' Pink Pills are offered with a confidence that they are the only perfect and unfailing blood builder and nerve restorer, and where given a fair trial disease and suffering must vanish. Sold by
