

**WHAT IS THE 7% Guaranteed  
Income Bond**  
OF THE  
**North American  
Life Assurance  
Company?**

It is a contract that may be secured by the payment of 15 or 20 annual premiums, and should death occur within the period selected, the full face of the Bond becomes payable.

If living at the maturity of the Bond, the guaranteed cash value, as also the surplus, may be withdrawn, or a paid-up Bond (payable at death) taken out for its full face, and in addition a 7 per cent. Guaranteed Life Annuity secured; in which case the surplus is also payable.

Pamphlets explanatory of this admirable plan will be given on application to any of the Company's agents, or to
