

## APPENDIX No. 3

In Ontario, farm help has been placed through three methods. The Provincial government, through their office in Toronto, have placed with farmers the help directed to them by their agents in the British Isles or who reach their office through other sources. The Dominion government have placed in the last three fiscal years through the employment branch of the head office at Ottawa 466 immigrants at farm work, and through the office maintained at the Union Depot in Toronto, 1,308 in 1909-10 and 1,411 in 1910-11.
