counted on this last vote in the reverse order as though a vote were taken, even though there are only eight NDP Members in the House at the present time.

An Hon. Member: Ten. He cannot count.

Mr. Deans: Mr. Speaker, as is always the case, the Hon. Member for Saskatoon West (Mr. Hnatyshyn) cannot count. That seems to be a fatal flaw among Tory House leaders. However, we would be happy to have the vote count in the way the Member has indicated, and we have no more Members missing than do the Tories.

Some Hon. Members: Oh, oh!

[Translation]

Mr. Pinard: Mr. Speaker, we agree, provided the Liberal vote is recorded as supporting second reading and the motion is adopted.

[English]

Mr. Speaker: Is it agreed that the motion shall be carried with the reverse of the vote on the amendment?

Some Hon. Members: Agreed.

The House divided on the motion (Mr. Gray) which was agreed to on the following division:
