

October 20th, 1930.

Dr. George B. Cutten,  
Colgate University,  
Hamilton, New York.

My dear Dr. Cutten,

Thank you for your  
letter of October 17th in which you do me the  
honour of inviting me to speak at Colgate  
University on December 5th.

I am sorry that  
is impossible, as I expect to sail the next day  
for the Old Country.

With congratulations  
upon the forward step you have taken at Colgate  
in the erection of a new Chemical Laboratory,  
and with all kind wishes,

I am,

Ever yours faithfully,

Principal
