

discovered at a
 volves; we rode
 ing within pistol
 w moments and
 we rode up and
 id, withdrawing
 nd, to our great
 til his eyes were
 mostly gone—his
 egs torn almost
 , the poor old
 who had ceased
 overing strength
 In this group,
 aking about and
 and others, less
 of the bull. I
 rembling before
 ou had better be
 ively to be a
 , trembling with
 a straight line.
 ve had advanced
 e saw again the
 asatiable voracity

that befall them,
 osed my hook, I
 laid in the grass

an 'falls' into a
 since, resolved to
 mall pocket-map
 y other object in
 sion. This little
 ng but the green
 of wings, which
 ence I could be-
 he great cities of
 ain of the great
 them and near
 ass, which were
 rface; continent
