

YORK COUNTY AND SUBURBS
FREE MAIL DELIVERY SOON
FOR SUBURBAN DISTRICTS

Welcome Announcement From Ot-
tawa—Junction to Have a
Carrier System.

Fifteen years ago or more The World
advocated the creation of a metropol-
itan postal district of Toronto, which
would give the postmaster of this
city supervision of the contiguous and
outlying postoffices in the Township of
York, south of, say, a line that would
run thru York Mills, and to have in
connection therewith a free delivery,
the same as in the city. It was at
that time considered to be progressive,
but The World is glad to see that
Hon. Mr. Lemieux, the postmaster-
general, has practically come to this
view, and the following despatch from
Ottawa will be read with pleasure by
all the people in the suburbs of To-
ronto, and especially by the people of
Toronto Junction, where, by the way,
the patronage in connection with the
appointment of carriers, etc., will be
in the hands of A. J. Anderson, the
defeated Liberal candidate in the last
federal election. The despatch reads:
"Hon. Rodolphe Lemieux, postmas-
ter-general, has authorized the intro-
duction of free delivery by letter car-
rier in Toronto Junction, the service
to be inaugurated as soon as the nec-
essary equipment can be made and
organization effected. The free deliv-
ery district of Toronto is also to be
gradually extended on the north to
St. Clair-avenue and on the east to
the eastern boundary of East To-
ronto, the area of free delivery to in-
clude the suburban districts such as
Davenport, Bracondale, Wychwood,
Park, Deer Park, Doncaster, Todmor-
den, Coleman, Norway and the town
of East Toronto. Except in the case
of isolated houses or districts causing
excessive travel a free delivery ser-
vice is to be established over the
whole of this large metropolitan area.
Letters prepaid for special delivery
will not be delivered beyond present
city limits."

HOLLEYWY DISCHARGED.

Charge of Conspiracy Against Real
Estate Agent Falls.

The charge of conspiracy to defraud
the University of Toronto, preferred
against T. W. Holleywy, real estate
agent, has failed, but Judge Winches-
ter, in discharging the accused, de-
clared that the evidence showed that
he had intended, and had succeeded in
defrauding the university.

"The charge is conspiracy. The
crown has been unable to prove that
those who acted for you knew nothing
about the matters," said the judge.
"The deceit by which the university was
barred, and there is everything
to show that you took advantage of
your clients. I find you not guilty on
this charge. It depends on the crown
whether or not you will be prosecuted
on the charge I have mentioned."

Holleywy was defended by C. H.
Ritchie, K. C., and was attended by
his solicitor, Mr. Ludwig. H. L. Dray-
ton prosecuted for the crown. John A.
Paterson, K. C., appeared with the
prosecution. Anthony F. Moore took
evidence was given by Mr. Moore
that Holleywy's instructions to sell
were accompanied by a scale of maxi-
mum and minimum prices.

L. Fouldes said he had signed the
"offers" for the property at Holleywy's
request. He had received no commis-
sion.

R. K. Barber of Georgetown related
that Holleywy asked him to enter into
an agreement that Holleywy might pur-
chase a block of land in the name of
Barber. Witness did not know who
the owner was or what it was for. He
signed the agreement, and he did
not know what the deal was till it
came out in the papers. He did not
read the agreement, and didn't know
what it was about.

MONTREAL BOARD OF TRADE.

Montreal, Dec. 28.—(Special).—It is
generally conceded that George Ch-
erill will be the next president of the
Montreal Board of Trade, and that
T. J. Drummond will be advanced
from the position of second vice-presi-
dent to first vice-president. For the
position of second vice-president there
are likely to be many candidates, but
the opinion was freely expressed
among several members on Change to-
day, that as promotions seemed to be
the order of the day, Charles B. Es-
dalle, who is at present treasurer of
the board of trade, should follow in
the position which will be vacated by
Mr. Drummond.

McNEES RESIGNS.

Vancouver, B. C., Dec. 28.—William
Wallace Bruce McNeess has resigned
the Yukon governorship to lead the
provincial Liberals, Macdonald step-
ping aside as a mere candidate.

Peace-maker Killed.

Petersburg, Va., Dec. 28.—While act-
ing as peace-maker between two neg-
roes engaged in a fight yesterday at
Nonarion, Surrey Co., Joe Saleeby, a
Syrian merchant of New York, was
brought to the combatants that he
died shortly afterwards. One of
the negroes was captured, but the
other escaped.

Saved by Student.

Madison, Wis., Dec. 28.—It was learn-
ed to-day that President Van Hise of
the University of Wisconsin, while skat-
ing on Lake Mendota on Christmas
Day, broke thru the ice at a point
where the water is 4 1/2 feet deep, and
for some time remained in the water
until he was rescued by a student.

REEVE SYME EXPLAINS.

Why He is in the Contest for the
Reeve Ship Again.

In answer to the charge that he
signified his intention to retire this
year from the York Township coun-
cil at last year's nomination, George
Syme states that his remarks at the
time were perfectly sincere, but that
he made no absolute promise in that
connection, which has gone into the
township to run again for the reeve-
ship, and thus endeavor to get the
just claims of York Township recog-
nized by that body. Reeve Syme says
he intends making a strong fight to
obtain assistance from that body
towards the upkeep of the former
county roads, which have gone into
disrepair because it is impossible
for York Township ratepayers to tax
themselves sufficient to keep them up.
Reeve Syme distinctly states that it is
only at the urgent request of many
of the most prominent ratepayers of
the township that he has decided to
contest for the reeve ship again.

ANNUAL POULTRY SHOW.

Exhibition Opened at St. Andrew's
Hall Yesterday.

The thirteenth annual exhibition of
the Toronto Poultry and Pet Stock As-
sociation, which opened in St. An-
drew's Hall at noon yesterday, prom-
ised to eclipse in point of exhibits any
previously held in this city. Begin-
ning yesterday, the show will continue
until New Year's Day. In some of
the classes the quality of the birds is
said by competent judges to be of ex-
ceptional merit. In the Banded Rocks
and White Wyandottes, notably
the case. Other classes represented are
the Andalusians, Hamburgs, Mediterranean,
Dorkings, Orpingtons, Polish, Ben-
tams and Game. The judges were
busily employed yesterday in award-
ing the prizes, but they did not conclude
their labors, which will be resumed this
morning.

Feature of this year's show is the
number and value of cups presented by
friends of the association, and which
are now on exhibition. Some regret will
be felt at the fact that there are no
pigeons shown this year, but the class
for rabbits and guinea pigs is well filled.
Altogether the show is a repre-
sentative one, fanciers from all parts
of Canada being among the exhibitors.

ANOTHER ASSASSINATION.

General Litvinoff is Struck Down in
the Street by Unknown Man.

Omsk, Asiatic Russia, Dec. 28.—Gen.
Litvinoff, governor of the Province of
Alkholinsk, was assassinated in a
street close to his office to-day by two
unknown men.

Russian Police Activity.

St. Petersburg, Dec. 28.—The secret
police made 688 arrests here during the
last three days.

The prisoners, who include thirty-
three women, are charged with "revo-
lutionary activity and illegal election
agitation." Further arrests and
searches are proceeding vigorously.

LOOKED LIKE MYSTERY.

Murder Theory Upset by Autopsy of
Medical Examiner.

Boston, Dec. 28.—The body of Mrs.
Nellie Murray of Charlestown, which
was found to-day partly clad and ly-
ing in the snow in the yard of the
Harris that the woman had been suffo-
cated, apparently while leaning from a
window to relieve nausea, and had
fallen. There were no marks of vio-
lence about the body, but a leg was
broken.

STRONG FOR BECK POWER.

Preston Generally Favors Proposi-
tion of Government.

Preston, Dec. 28.—(Special).—While
no pub. meetings have been held here
so far to discuss the Beck power propo-
sition, the sentiment of both the local
manufacturers and citizens generally
seems to be favorable towards the
bill, which will shortly be submitted to
the ratepayers.

It is probable that Niagara power
will be discussed at the nomination pro-
ceedings, when the bylaw will be given
a boost. Cheap power will be given
the glad hand here, especially by the
municipality, which, at the present
time, is erecting a power plant to
house, jointly, the pumping machinery
for the waterworks system now in
course of installation and the manuf-
acturing electric lighting plant. Niagara
power would be very acceptable for
municipal purposes and would also in
all probability be adopted by the Galt,
Preston & Hespeler, and Preston &
Berlin trolley systems, whose business
has increased rapidly.

ONTARIO BANDMASTERS MEET.

Hamilton, St. Catharines, Brantford,

sociation for the mutual advancement
of military and other bands. A com-
mittee was appointed to draw up a
roll of suggestions for the general im-
provement of the musical organizations
of the province, to be presented when
the conference opens this morning. The
election of officers will be held some
time to-day.

The Dunlop Creed

WE believe that the trade mark, the two
hands, is the most valuable asset in our
business, and we shall aim to keep it
always in good repute by fair and square dealing.

We believe it is in the fullest sense injurious to our
prospects to allow the Dunlop trade mark to be
placed on any goods not made of a superior quality
of rubber.

We believe in quality. We know that the satisfac-
tion quality gives is lasting, while the satisfaction
a purchaser has in buying cheaply is short lived.
When he does not find quality he forgets the price
paid and begins to think he has been fooled.

As we hope to last in this business we affirm it is
our unalterable determination never to compromise
the Dunlop standard of quality in rubber.

The annual meeting of the West York
Conservative Association will be held
in Weston on Saturday, Jan. 12, 1907.

The Christmas entertainment of the
Deer Park Presbyterian Sunday School
was a decided success. The feature of
the evening was the rendering of a
short musical and literary program by
the children of the school, after which
the distribution of gifts from the tree
took place. A second Christmas tree
was laden with gifts for the mission
field of Northern Ontario.

Weston.

A very pretty entertainment was
given in Christ Church on Thursday
evening by the scholars of the Sunday
school. Tableaux, music and recita-
tions, together with the distribution of
prizes, formed the program. The fea-
ture of the evening was the presenta-
tion of a medal to Master C. Bower
for regular attendance for a period of
five years.

A R.O.E. Lodge is to be organized at
Chester in the course of a few weeks.
The district deputy for Toronto East
has the matter in hand. With a large
number of members to order now
living in the district, and a still larger
number of recent arrivals from Eng-
land, the lodge ought to be strong.

The funeral of Robert Elliott, one of
the best known and most highly-respec-
ed residents of Markham Township, took
place at Aurora Cemetery on Thursday
afternoon. Mr. Elliott has resided in
the neighborhood of Jefferson the great-

and unmarried, a staunch supporter of
the Conservative cause, and a member
of the Anglican Church. The ser-

Miss Emily Macneester, who died
in King Township on Dec. 2, 1906, left
a farm valued at \$700, subject to
a mortgage of \$300. Robert John
Marks, miner of Linton, Ont., was
chief executor and beneficiary of the
estate.

Balm Beach.

To-morrow evening a special Christ-
mas carol service will be held at the
Church of England, Balm Beach, when,
instead of the regular
full evening services and sermon, short
exploratory addresses of the origin
and significance of the carols, sung
will be given by the Rev. E. A. Mc-
Coyre. He will preach sermons ap-
propriate to the season at the morning
service and there will be bright hearty
singing of the old time carols at both
services.

North Toronto.

The second section of St. Clement's
Sunday School Christmas entertain-
ment was given on Thursday evening.
The feature of the evening was the
presentation of prizes to the pupils by
the rector, Rev. T. W. Powell. The
prizes consisted of valuable books,
Bible, and other articles. A class of
nineteen children were
gave up their prizes for homework for
the mission fund. One little tot, four
years of age, received over 300 marks
during the year, and was the only one
out of the infant class of sixty who se-
cured a bound copy of a prayerbook
as the prize for her efforts during the
past year.
