To the Trade:

August 14th.

Opinion may only be sentiment, but it is generally held by a large majority of the trade that our

Dress Goods are unsurpassed in value and assortment. We are showing the latest production of the French, German, British and Canadian looms.

Facts are what is seen, and those who have already seen our stock assert that we have never heretofore shown such an extensive range.

Evidence proves or shows facts. We have the evidence in the number of orders placed personally, by letter and through our travelers.

Samples—We shall be pleased to forward on application, feeling satisfied that orders will follow.

A HEAVY FAILURE.

The Well-Known Drygoods House of Jones & Co. in Difficulties.

Jones & Co., drygoods, Port Perry, a well-known house, are in financial difficulties. An offer of 75c on the dollar to creditors has been made. Liabilities are about $40,000. The largest claims are: Galt Bros. $2000, James Johnston & Co. (Montreal) $5,000, Caldecott, Burton & Spence $1,800. A Michigan firm has a claim of $5000. It is quite likely that the offer will be accepted.

L. H. Timmons & Bro., general store, Mattawa, have assigned to D. A. Dunlop.

M. Goldstein, tins, Ottawa, has assigned to A. P. Mutchmore.

The $5000 estate of Moore & Kerr, drygoods dealers, Orillia, has been sold at 55c on the dollar.

The Cosgrave Brewing Company has placed a receiver in J. E. Burns' Hotel, Queen-street west. Liabilities are $13,500 with assets nominally in excess of this amount.

Kingston to Montreal.

New things and new ways are often a source of delight, and among these may be included a new way of seeing old things. The glory of the St. Lawrence route is the trip from Kingston to Montreal, and in traveling to it who does not see some of the beauties of the inland parts of Canada? The Canadian Pacific train leaving at 9.10 a.m. passes in daylight through the celebrated and fertile farming district of Markham, the thriving inland manufacturing centre Peterboro and through the rugged rock districts which are the outcrop of the Marmora gold-bearing formations. At Sharbot Lake the Kingston and Pembroke Railway is joined and a picturesque run made through the lake and river district to Kingston. At 30 p.m. the American Line steamer is boarded and after a quiet night's rest alongside the dock, the tourist is ready to enjoy to its fullest the varying and exquisite scenery of the 1000 Islands and the thrilling excitement of running all the rapids. The steamers of the American Line are specially constructed for day service, with ample deck room, and particularly a hurricane deck, from which the passenger can view the wondrous scenes of the St. Lawrence River. Barlow Cumberland, district agent.

In the Surrogate Court.

The will of the late Benjamin Goodman, who died in the city on Aug. 5, was yesterday filed in the Surrogate Court for probate by the widow, to whom and the two children, Mary Edith and William Henry, the property is left. The estate comprises $10,000 life insurance, $800 in promissory notes, $1000 in other goods, $7896 in cash, $4420 real estate and $2871 in farm stock and produce.

Lillias and Agnes Christie made application for letters of administration in the case of their sister Mary, a spinster, who died on May 16, leaving an estate valued at $1175 and no will. The property consists of one-third interest in No. 13 Wilton-avenue.

Independent Foresters.

The Supreme Chief Ranger, Dr. Oronhyatekha, attended the annual session of the High Court of Ontario, this week at Brantford, and was enthusiastically received by the brethren. Upon his return from the High Court he left for the east on business in connection with the formal opening of the Temple Building, which will take place on the 26th inst. The meeting of the High Court of Central Ontario, which was announced to begin on the 24th inst., has been changed to open on the evening of the 23rd at 7.30 o'clock in the Temple Building, and the complimentary excursion to Foresters' Island Park that is being tendered by the city courts to the visiting brethren will take place on Tuesday, the 24th inst., instead of Wednesday, as previously announced.

New Customs Regulation.

A circular has been issued from Ottawa to the different customs collectors concerning the proofs of direct importation of goods. The circular directs attention to section 17 of the customs tariff of 1897, calling to special notice the provision requiring that articles entitled to the entry under the reciprocal tariff must be imported direct from the country of production. When goods pass through another country, evidence of such direct importation, including immediate transportation papers, must be furnished to the collector before entry at the reduced rates of duty can be approved. Immediate transportation papers are also required to be furnished to collectors with entries of goods which are claimed to have passed through another country "in transitu" under the provisions of section 68 of the Customs Act.

Pain in the Back.

Mr. M. P. Halpin, Brockville, Ont., makes a statement as follows: "For two years I suffered from kidney trouble, causing severe pain across my back, dizziness, headache, sleeplessness, etc. I had often to lean on the counter when serving a customer, so intense was the pain in my back. On taking Doan's Kidney Pills, I improved from the very first, and now, after using three boxes, am all right; all my pains, aches and dizziness having disappeared, thanks to Doan's Pills."

Elm-Street Methodist Church.

In the absence of the pastor of Elm-street Methodist Church from the city tomorrow the pulpit will be supplied in the morning by Rev. A. C. Crews, general secretary of the Epworth League, and in the evening by a former pastor, Rev. Dr. W. S. Griffin.

BULL POINTS.

The bull points on Northwest Land Company shares are said to be good. Quite a number of small lots are going into investors' hands, and large interests would like to accumulate stock around the present. It was the only active stock that held its own to-day on the local exchange. Sales were made at 48, as against 48 at the closing yesterday, while nearly everything else was lower. The weather is good in Manitoba for the harvest, and farmers will make a great deal of money this year, with a much larger yield than in 1896, and prices 20c to 25c higher. The sales of farm lands are likely to show a large increase this season. They can be had cheap, as the Northwest Land Company accepts its preferred stock at 100 in payment for lands sold, while the stock is quoted at 48.

TORONTO LIVE STOCK MARKET.

Seventy was the number of car loads of live stock received on the market yesterday. There were 1523 cattle, 819 sheep and lambs, 75 calves and 1100 hogs.

The supply of export cattle was good and prices seemed to be maintained; that is, the prices paid on Tuesday and Thursday. We think the average, however, would be somewhat lower, and there was not the activity displayed on Tuesday's market. Exporters sold from $4 to $4.50 per cwt., and in one or two instances a trifle more, but they were for extra heavy picked lots.

J. Dunn bought one load of export cattle, weighing 1273 lbs. each, at $4.35 per cwt., and another load, averaging 1300 lbs., at $4.40 per cwt.

John O'Keefe sold one load of 17 heifers and 6 steers, weighing 1150 lbs. each, at $4.40 per cwt., to Brown & Snell.

Williams & Hall bought 21 exporters from Mr. Murby, averaging 1200 lbs. each, at $4.20 per cwt.

J. & J. Elding bought from D. O'Leary two loads of good export steers, weighing 1375 lbs. each, at $4.50 per cwt.

R. Pugsley sold one load, weighing a little over 1200 lbs. each, at $4.30 per cwt.

R. Frizzell, Owen Sound, sold one load, weighing 1200 lbs. each, at $4.25 per cwt. to J. Lunness.

J. Lunness bought from Mr. McNicholl two loads of heavy cattle, weighing 1460 lbs. each, for which he paid a trifle over $4.50 per cwt.; but they were an extra fine lot.

There was a fair run of butchers' cattle, which sold all the way from $2.50 per cwt. for inferior, to $3.85 for picked lots.

W. Levack purchased 150 cattle (mixed exporters and butchers') from $2.75 to $4.30 per cwt.

R. McLaughlin sold 25 half butchers' and half exporters at $4 per cwt.

W. J. Burney of Forest sold 22 butchers' cattle, heifers, steers and cows, weighing 1130 lbs. each, at $3.40 per cwt.

R. Cook sold one load of butchers' at $3 to $3.25 per cwt.

Export bulls sold at $3.50 to $4 per cwt. Mr. C. Zeagman bought seven bulls that averaged him the latter price, and says that he will pay that price for good export bulls.

Prices for stockers remain about the same. H. Mayhew bought 28, weighing 700 lbs. each, at $3.25 per cwt., and 85 heifers also 34, weighing 620 lbs. each, at $3.12½ per cwt.

Milk cows sold from $20 to $38, and there were about 10 on the market. A few good ones are wanted.

Calves brought from $3 to $6 each.

Sheep were in good demand and sold at $3 to $3.37½ per cwt. for good export ewes, and $3.50 off the cars.

Lambs were plentiful and cheaper, selling at $2.50 to $3.25 each.

Bucks, $2.50 per cwt.

Mr. Convey sold 230 lambs at $2.75 to $3 each.
