

YORK COUNTY AND SUBURBS

Death of Rev. Charles E. Thomson, the Venerable Rector of St. Mark's Anglican Church.

WAS PRESIDENT OF YORK PIONEERS

Little Yorks Won Football Game—Return of the Sportsmen—Death of Miss Lomas.

Toronto Junction, Nov. 15.—Rev. C. E. Thomson, for 47 years a faithful priest in the Anglican Church, and a most highly respected public citizen of Toronto Junction, died at "Cambie," the family residence, near the airport, this morning in his 72nd year. Rev. Charles Edward Thomson was descended from United Empire Loyalist stock. He was born at Kingston on Nov. 10, 1832, his father being the late Hugh C. Thomson, ex-M.L.A., for Frontenac, and publisher of The Upper Canada Herald. Mr. Thomson's grandfather, on the maternal side, was William Johnston, who landed at Adolphustown in 1784, after the revolutionary war. The subject of his sketch received his early education by private tuition, and afterwards at Upper Canada College and Trinity University, receiving the degree of Master of Arts in 1857. He was ordained deacon in 1856, and the following year ordained priest in the Anglican Church. His first charge was at Blora, where he preached for 10 years. He was then transferred to Hamilton, and was for four years rector of All Saints' Church there. He afterwards became rector of St. John's and St. Philip's Church, Weston, which was connected at that time the parish of Carlton and St. Mark's Church, of which he had been rector for 13 years. Mr. Thomson was one of the earliest residents of Toronto Junction, and has contributed much of his time to the public life of the town. For many years he has acted as trustee of the Collegiate Institute Board, which he was chairman. At the time of his death he was president of the York Pioneers, and president of the United Empire Loyalists of Canada. The funeral will take place on Tuesday at St. James' Cemetery. A wife and large family of grown-up children are left to mourn his death.

Monday is the last day for paying the second instalment of taxes without the additional 5 per cent. added. Two fine deer are on exhibition at Kemp's butcher shop. They were shot by Ed. Manning.

Sermons favoring local option characterized the church services here today.

The local branch of the Bank of North America will likely enter the team in the local hockey league to be formed on Thursday.

One of the jolliest parties that invaded the northern woods during the hunting season, just closed, was that composed of Alex. Pingle, J. B. Gould, Walter Scott, Jonathan King, Geo. Decker, Dr. Bryer, Lindsay, Geo. Webber, W. Furnham, Archie Mustard and John Morley. The party were in charge of J. B. Gould, who was veteran in all the art of hunting. Barnsdale, a point on Lake Joseph, was chosen as the place to start. The party had secured eight fine deer, with good prospects of each man securing his quota. R. G. Corson and H. G. Sanderson of Markham visited Mr. Gould's camp, remaining about three days. The other members of the party are expected home today.

East Toronto, Nov. 15.—Rev. A. B. Gregory, B.A., preached to a large congregation in Emmanuel Presbyterian Church tonight, taking as his subject "Parables." At the morning service the pastor, Rev. T. H. Rogers, B.A., continued his series of sermons on "Seven Deadly Sins," the theme being "Luxury." Rev. Mr. Rogers will exchange pulpits next Sunday with James A. Brown, M.A., of Agincourt.

Miss Rogers of Nobleton is visiting Mr. Rogers of T. H. Rogers, B.A., Mainstreet.

Dr. Walters returned from the north country this morning. The members of the party are expected home tomorrow. Each hunter got a deer. The party was very successful. At Sunlight Park yesterday afternoon Referee Albert Hart presided over the game between the Little Yorks and the Alerts. The Alerts have lost two games, the latter are officially the winners in the series.

Novel Walking Race.

Paris, Nov. 15.—A novel cross-country walking race was held in the forest of Chantilly last week between two elderly women, accompanied each by a man. The distance was about three miles, and there were seventeen obstacles over which each man was to help his companion. Miss B. Tardieu and Andre de Maru covered the course in twenty-eight minutes, beating Robert de Silvestre and Miss M. de Silvestre.

Too Much Salt.

Not very long ago there was a complaint as to the scarcity of salt, but so rapidly do things change in this Canada of ours, that to-day the complaint is there is too much salt. Some of the largest works are completely filled up, and are making preparations to shut down, their large storage capacity being taxed to its utmost limits.

Heart Palpitation at Night.

Rattles over the strongest man, but to the average woman it is a test of general purgatory. Take a little Nervine in sweetened water and away goes the palpitation. You'll be saved lots of worry by keeping Nervine on hand, which is a treasure for all sorts of pains and aches. Nervine cures headache, stomach and bowel troubles quickly. Costs 25c for a large bottle.

Score's Leadership in Tailoring Values

is well known throughout Ontario. No doubt of the economy of ordering now at our special prices.

\$8.25

brought back some 200 brace of partridge.

Death of Miss Lomas.
Edith Mary, the 15-year-old daughter of James and Mary Lomas, died yesterday afternoon at 4 o'clock, after a very short illness. A few weeks ago she appeared to be in robust health, but a slight cold and other complications developed heart trouble, from which she died. As an occasional assistant to her father at the Woodstock waiting room, she always had a kind word and a smile for everyone whom she knew. The grief-stricken parents and her brothers and sisters have the sympathy of the entire community.

SYME WILL OPPOSE LOCAL OPTION

And Gives Reasons for Reversing Former Attitude.

Local option, or rather the initial stage of obtaining consent for a vote of the ratepayers of York Township for such a purpose, will be presented at a meeting of the Council, to be held at the next meeting of the Council. Those who inaugurated the movement originally in Toronto Junction and then extended it into other portions of Toronto suburbs were taken back at the recent acceptance accorded their desire at the November meeting of the York Township Council, and were convinced at the close of the meeting that the question of closing up the hotels in the township would be decided by the vote of the ratepayers in January next. The by-law with the initiative measure was read a first time at the meeting, and was advanced by the Council to the December meeting. Should this arrangement be carried out, the vote of the ratepayers would practically put the by-law into effect.

Since the Council has been removed that Councilor Syme has reversed his opinion on this important matter, and in order to do so he is making a statement at the next meeting. Mr. Syme's record in the Council for five years does not leave much room for doubt as to his sincerity. He is well recognized by those who have watched his past actions that he has been a consistent and a hard fighter for what he considers right and in the interests of the municipality. In order to do so he is making a statement at the next meeting. Mr. Syme's record in the Council for five years does not leave much room for doubt as to his sincerity. He is well recognized by those who have watched his past actions that he has been a consistent and a hard fighter for what he considers right and in the interests of the municipality.

"I am," came the ready reply, "and without any fear of the consequences." The councillor here leaned back on the stick always carried by him. It is a wise man who knows when he is wrong, and attempts to rectify it. A local option vote came to the last meeting of the Council, and the following explanation was given:

LOST STRANGER AND COIN

Englishman Just Off the Farm Was Taken in by New Found Friend.

DOWN ON THE SUNDAY "AT HOMES"

Working Men Will Likely Have Four Aldermanic Candidates in the Field.

Hamilton, Nov. 15.—(Special.)—Saturday night John Merriott, an Englishman, who has been working on a farm in Nelson, came to town, and went to sleep in a room at the Victoria Hotel with \$50 and a stranger. When he woke in the morning both the money and the stranger had vanished. One in Seven.

Rev. E. A. Henry, pastor of Knox Church, went after the society people of the city were given dinners and stonions on Sunday. He said he knew of girls who had to wash dishes until 12 o'clock Sunday night. He declared that it was degrading to society and unfair to the girls. People who were concerned about whether it was the first or seventh day of the week that should be observed, he said, were only making a fool of themselves.

Working Men's Candidates.
A new workingmen's party was formed Saturday night, and it will likely bring out at least four aldermanic candidates at the next election. The officers chosen were: E. A. Pocock, chairman; Rev. C. F. Williams, vice-president; A. Macintosh, secretary. There was a first attendance meeting, the present being members of the different labor organizations. The platform committee, headed by the Trades and Labor Council, was organized, with the addition of a plank providing for direct legislation by initiative and referendum.

Big Crowd There.
There was a big crowd at the point-to-point race held by the Hamilton Riding Club Saturday afternoon. J. Thomson's horse won the ladies' cup, with Gordon Henderson's second. A. S. Rogers, with Revolution, won the other cup. J. Thomson, with Rosalind, came in second.

Afraid of Snailpox.
Sheriff Middleton and Governor Ollivier are very much worried for fear the all fact that Reddy New and Tom Harrold, who were in the snailpox pen house, have been committed to the institution. If the disease broke out there it would be necessary to quarantine the jail.

Invited to Buffalo.
The 12th Regiment has been invited to go to Buffalo next Decoration Day by the 6th Regiment to take part in the ceremonies at that city.

Rev. C. O. Johnston, Toronto, preached anti-slavery sermons at the Hannah-street Methodist Church today. The church was crowded. He will lecture Monday evening, and a concert will also be given.

Car Off the Tracks.
Saturday evening a street car ran off the track just after going over the bridge between Pearson-avenue and Wellington-street. It was going at such a rate of speed that it ran upon the sidewalk before it could be stopped. The passengers were thrown violently on the ground, and one woman was so badly frightened that she went into hysterics. The drivers had to work very hard for some time. Conductor Murray Lounsbury was stunned, and many of the passengers, suitably bruised. It is only a few days since another car ran into a tree on Markham-street.

Ald. O'Reilly, who has been laid up for some weeks with rheumatism, has been reported to St. Joseph's Hospital Saturday. Frank Barrow fell off the foot of the Crickie Grande Saturday afternoon and hurt his leg so badly that he had to be taken to the hospital in an ambulance. Police Constable Timson's son, Frederick, died in the City Hospital this morning from complications of the lungs. He was 17 years of age.

The Stocks Yards Hotel gives reasonable rates to boarders and guests, and has all modern conveniences. W. H. Daniels, Proprietor.

LAWN BOWLERS TO PLAY ABROAD

O.B.A. Will Go to Five Rink Across Water Next Summer.

A meeting of the Ontario Bowling Association was held Saturday night in the Granite Club, George R. Hargrave in the chair, when it was decided to send five rinks to the Old Country next summer. The 30 clubs in the association will receive an official notification of the decision, with the request that the names of their representatives for the trip be sent to the secretary. From these the 20 will be chosen.

It was reported that a new bowling green of an extensive nature would be made at Woodbine Park that would be in readiness for the O. B. A.'s annual tournament in 1905.

West End Y.M.C.A. Boys' Race.
The West End Y.M.C.A. Boys' Athletic Club held their second annual 25-mile race on Saturday afternoon. The race was held at the association building, on Dovercourt-road to the river, and returned. Seventeen boys faced the starter, 14 finished, and Fred Porter won the prize, covering the distance in 1:44. The first prize goes to John Hall, with three-quarters of a minute handicap. Following is the order of the finish, with handicap and corrected times:

Is of Little Benefit Unless it is Digested.

Nearly everyone will admit that as a nation we eat too much meat and too little of vegetables and fruits. For business men, office men and clerks, and in fact everyone engaged in the various occupations, grains, milk and vegetables are much more healthful.

Only men engaged in a severe outdoor manual labor can live on a heavy meat diet and continue in health. As a general rule, meat once a day is sufficient for all classes of men, women and children, and grains, fruit and vegetables should constitute the bulk of food eaten.

But many of the most nutritious foods are difficult of digestion, and it is of no use to advise brain workers to eat largely of grains and vegetables where the digestion is too weak to assimilate them properly.

It is always best to get the best results from our food that some simple and harmless digestive should be taken after meals to assist the relaxed digestive organs, and several years' experience has proven Stuart's Dyspepsia Tablets to be a very safe, pleasant and effective digestive, and a remedy which may be taken daily with the best results.

Stuart's Dyspepsia Tablets can hardly be called a patent medicine, as they do not act on the bowels nor any particular organ, but only on the food eaten. They supply what weak stomachs lack, peptidol, and by stimulating the gastric glands increase the natural secretion of hydrochloric acid. People who make a daily practice of taking one or two of Stuart's Dyspepsia Tablets after each meal are sure to have perfect digestion, which means perfect health.

There is no danger of forming an unhealthy habit, as the tablets contain absolutely no habit-forming drugs. No use of noxious stimulants, such as opium, cocaine, morphine and similar drugs have no place in a stomach medicine, and Stuart's Dyspepsia Tablets are certainly the best known and most popular of all stomach remedies.

Ask your druggist for a fifty-cent package of Stuart's Dyspepsia Tablets and after a week's use note the improvement in health, appetite and nervous energy.

Clinton Keeps the Cup.
Clinton, Nov. 14.—The final football match of the season for the Hamilton Cup, between Clinton College Institute Club, defences, and Scarboro College Institute Club, challenges, was played here today. After a hard contest it resulted in a victory for Clinton, 11 to 0.

The battle between Eddie Hanlon, the clever California boxer, and Yonnie Corbett for the featherweight championship is now secured. The fight will be held at the battle ground, and it is announced that the contest will take place on Dec. 29.

SIMPSON

THE ROBERT H. FUDGER, President; J. WOOD, Manager. MONDAY, NOV. 16

Store Closes at 5.30
Sale of Scotch Linoleum.

Auld Scotia—we have a fine opinion of you and your staunch Highlanders and sturdy Lowlanders. It is your people that know how to make Linoleum.
