District Master T. W. Self will act as marshal, and the parade should include some 400 members of the order.

**ABOUT BEER.**

Canada's excise laws make it absolutely prohibitive for the Canadian brewer to use anything else but barley malt.

Every pound of malt that is used is weighed out by a government official. There is no doubt of the materials that go into the brew-kettle.

That's one point where Gold Seal beer has the advantage over imported beers. It has the piquant flavor and health-giving properties of a pure malt beer.

If your dealer does not handle it, most others do. They can all get it from

## I DON'T WANT A CENT UNTIL I CURE YOU!

This is my offer, and you should take advantage of it. Many are doing so, resulting in extraordinary cures and the restoration of health and happiness. I have such faith in my wonderful appliance as a curative that I will take all risk in giving you the cure. All I ask is reasonable security that you will pay me for the Belt when you are satisfied with results. I know you will be, and will trust to your honesty for the rest.

That is plain talk and I mean it. I make the offer to weak men, particularly those men who have spent their earnings for years on dope (the drugs that make them feel like a young colt one day and like an old, broken-down hack the day after), those men who have tried so many things that they are tired of fooling and want a cure. Those are the men I appeal to, and I am willing to prove my claim before I get paid a cent.

I claim that I can cure weak men; that I can pump new life into worn-out bodies; that I can cure your pains and aches, limber up your joints and make you feel as vigorous as you ever did in all your life. That's claiming a good deal, but I've got a good remedy, and know it will enough to take all the risk if you will pay me when you are cured.

No man can lose on this. If the cure is worth the price you don't have to pay for it until you get it. When you are ready to say you are a big, husky and frisky specimen of vigorous manhood, that you haven't got an ache or a pain in your whole body and that you feel better than you ever did in your life, I get paid. If you can't say it after using my Belt for three months, then give me back my old Belt and I won't ask a cent.

A short time ago I took a case that I couldn't cure, and I didn't see why, as I had cured hundreds like it. Anyway, my patient returned the Belt and said I hadn't done him any good. He said he thought I had treated him honestly and wanted to pay me the cost of the Belt because it couldn't be used again. I refused, and told him that I had made a contract to cure him or get nothing, and I wouldn't take a dollar I hadn't earned.

I don't charge much for a cure. My Belts are as low as \$5. That will cure some cases, and it won't cost you a cent if it doesn't. Did you ever see a doctor who would agree to cure you for \$5 and wait for his money till you were cured?

I've cured lots of men who had paid over a thousand dollars to doctors before they came to me.

**IT IS A WONDER.**

Dr. McLAUGHLIN, Dear Sir: It is just three months since I got your Belt, which myself and my wife have used with grand results. It has completely cured me of constipation, which I was continually taking drugs for, and my wife is cured of stomach and kidney trouble. I consider the Belt a wonder, and don't believe electricity has any equal as a natural cure. I had used nearly all the patent medicines I ever saw, without any permanent results. I was terribly run down when I started treatment. I gained six pounds in a month, and now feel natural. You could not buy my Belt if I could not get another. Yours respectfully, W. J. DENTON, Finch, Ont.

I have cured thousands of men who have squandered the savings of years in useless doctoring. My Belt is easy to use; put it on when you go to bed; you feel the glowing heat from it (no stinging or burn, as in old style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

An old man of 70 says he feels as strong and young as he did at 35. That shows it renews the vigor of youth. It cures Rheumatism, Sciatic Pains, Lumbago, Kidney Trouble, Banishes pain in a night, never to return.

**STRONGER THAN HE HAS BEEN FOR YEARS.**

Dr. McLAUGHLIN, Dear Sir: Your Belt is doing me more good than anything that I have ever tried. I am feeling better than I have for three years. Thanking you for the service your Belt has done me. Yours very truly, ROBT. BENNET, Bright, Ont.

What all you? Write and tell me, and no matter where you are, I think I can give you the address of some one in your town that I have cured. I've cured thousands, and every man of them is a walking advertisement for my Belt.

**FREE BOOK.** Try my Belt. Write me to-day for my beautiful illustrated book, with cuts showing how my Belt is applied, full of good reading matter for men who want to be "The Noblest Work of God"—A MAN. I will send this book, sealed, free.

**Man Restored to Vigor**

Are you one of the thousands of men, young and old, who lack vitality and energy? Do you care to be robust and vigorous, to have perfect manhood? Thousands have tried my treatment, and state that they are far from it. Perhaps you are one of them. It is worth your time to ascertain your true condition of health, if you have any reason to doubt or suspect that you are not what you once were.

If you belong to either class mentioned above, do not be discouraged. Do not lose hope. Help is within your reach. You can be cured. Vim, vigor and vitality, health and largeness have been given to men who had been reduced to physical wrecks.

**Be Honest With Yourself.**

If you have been a victim to the follies and indiscretions of youth, committed excesses in married life, if you doubt your strength, if it is your duty your duty to those you love, and who love you, to at once, today, consult an honest, reliable, recognized physician—a specialist who has a record for CURE of weak men. But do not go astray. Consult no one else, take no patent "Cure all." No two cases are precisely alike. Every individual needs a treatment particularly suited to him. Do what you can get the right treatment for your case.

**Cure Yourself at Home.**

If there is no successful specialist near you, write at once to Dr. Goldberger, the noted specialist. He is the possessor of 14 diplomas and certificates who has received from the highest and state boards of medical examiners and he will send you the medicine, and the treatment, in a plain, simple, and easy-to-use form. It does not interfere with traveling, as it is sent by mail in a plain wrapper.

If you have stricture, prostatic trouble, sexual weakness, varicocele, hematuria, blood poisons, hydrocele, emaciation of parts, impotence, etc., or any other ailment, such as rheumatism, bladder or kidney trouble, heart disease, etc., write the doctor at once and confidentially lay your case before him. He sends the medicine, as well as the booklet on the subject, containing the 14 diplomas and certificates, entirely free. Address this simple

**Pay When You Are Cured.**

The doctor realizes that it is one thing to make claims and another thing to back them up, so he has made it a rule not to ask for money unless he cures you, and when you are cured he feels sure that you will willingly pay him a small fee. It would seem, therefore, that it is to the best interests of every man who suffers in this way to write the doctor at once and confidentially lay your case before him. He sends the medicine, as well as the booklet on the subject, containing the 14 diplomas and certificates, entirely free. Address this simple

Dr. S. Goldberger, 206 Woodward-ave., Room 14, Detroit, Mich., and it will all immediately be sent you free in a plain sealed package.
