OF

ONTARIO,

INCLUDING REPORTS ON SOME OF THE NOXIOUS, BENEFICIAL  
AND OTHER INSECTS OF THE PROVINCE OF ONTARIO.

PREPARED FOR THE HONOURABLE THE COMMISSIONER OF AGRICULTURE,  
BY THE OFFICERS AND MEMBERS OF THE SOCIETY.

1880.

*To the Honourable the Commissioner of Agriculture :*

SIR,—On this, the closing period of another year in the history of our Society, I have the honour to present you with our Annual Report. The year has been marked by an unusual freedom from any alarming invasion by insect pests, nevertheless the total loss caused by injurious insects to crops of various sorts has been considerable. In this Report is embodied illustrated papers by our members on injurious, beneficial and other insects, of such a character as will, we believe, prove instructive to the general public and increase the interest already felt in the operations of our Society.

Our monthly journal, the *Canadian Entomologist*, continues to be received with favour, both in Europe and America. Its issue has been regular ; and the twelfth volume is now nearly completed. During the year our library has been materially increased, and many new illustrations of insects obtained with which to embellish our Journal and Report, and thus render our work of much greater benefit to the general public than it would otherwise be.

The accounts, duly audited, are herewith submitted, also the list of officers for the coming year.
