CUTICURA HEALED BABY'S RINGWORM

On Head. Cross and Fretful. Hair Fell Out.

"When my baby was three months old her head broke out in little red pimples and then in a week it broke out in ringworms. The ringworms were very large and there were several on her head, and her scalp would bleed. She was very cross and fretful at times, and her hair was falling out.
"I used Cuticura Soap and Ointment, and after I had used one cake of Cuticura Soap and two boxes of Cuticura Ointment she was healed." (Signed) Mrs. Lela Sargent, Nampa, Idaho, Feb. 24, 1919.

HALLMAN GETS PRIZE FOR BEST DAIRY COW

Guelph Winter Fair Test Shows Roxie Colantha Queen Winner.

EIGHTY COWS ENTERED

Holstein Tops List—Judging Begins For Draught Horses and Sheep.

[By Staff Reporter.]

GUELPH, Dec. 8.—The Holstein-Friesian cattle won the annual signal victory in the dairy test at the Winter Fair here today. They captured four out of the first five places in the test, the winning cow being the property of Charles C. Best of Jarvis, Haldimand County.

It was known that Mr. Best's cows were performing well during the test, and her triumph was not unexpected by those who were watching her carefully. Her record is as follows: Total pounds of milk in three days, 2,585; average per cent butter fat, 3.40; average per cent solids, 8.50; total points scored, 27.85.

Other prizewinners.

Lady Comet, owned by J. G. Currie, Ingersoll. Pounds of milk, 127.7; per cent butter fat, 4.7; per cent solids, 9.1; total points, 27.85.

Butter Girl, owned by A. E. Hulet, Norwich, Ontario. Pounds of milk, 236.2; per cent butter fat, 3.5; per cent solids, 8.6; total points, 26.61.

Brantford Bess, owned by Jas. A. Bong & Sons, Edgely, Ont. Pounds of milk, 172.2; per cent butter fat, 4.9; per cent solids, 9.07; total points, 25.10.

5-year-old Margaret Mercedes, owned by Haley & Lee, Springfield. Total points scored, 25.10.

Eighty cows were entered in this short-term test, and the performances recorded are considered creditable in view of the fact that the conditions attendant upon the test were not conducive to greatest production. The cows were housed together in a crowded condition in their temporary quarters, and it would seem that the continuance of the test, if it is to meet the support of dairymen, will rest upon the effort made by the authorities to provide conditions more conducive to the number and quality of animals entered.

Red Clover Best.

The special trophy donated by Geo. Keith & Sons, Toronto, for the best bushel of alfalfa, red clover, or timothy, was won by Conrad Snider, of Drift, with red clover.

The judging in the sheep department is delayed owing to the non-arrival of several entries from Chicago. Two championships, however, have been awarded. In Leicester the female championship went to D. Ross McTavish of Shakespeare, on a ewe under one year, and in Hampshire the female championship was awarded to Teller Bros. on a yearling ewe.

Judging Draught Horses.

A big crowd was in attendance at the arena tonight when the program was occupied with the judging of draught horses. There was plenty of excitement when the ponies performed, and the judges were busy in their deliberations.

Some of the results of tonight's judging are as follows:

Shetland Stallions—Hastings Bros., Guelph.

Welsh Pony, Mare—J. B. Cowleson, Queensville.

Shetland Mare—Hastings Bros., Guelph.

Shetland Stallion, Pony Championship—Hastings Bros., Guelph.

Championship Pony, Mare—J. F. Hubbard, Rockwood.

Thoroughbred Stallion—E. B. Clancy, Guelph, won with "Spey Heart," by Spearpoint, and English Derby winner.

This horse was sent to Canada as the King for breeding purposes.

Canadian Bred Draught Gelding or Mare, 2-year-old—Ed. Creswell, Arthur G. Cochrane, Burketon; James Baker, Bright.

Large Opening Day.

One of the largest opening day crowds that ever attended the Guelph winter fair passed through the turnstiles tonight. Every train, both R. C. and Grand Trunk, carried extra coaches carrying poultry and livestock enthusiasts, anxious to see what is generally considered to be the best exhibition yet held in this city.

Hon. Manning Doherty, minister of agriculture in the Drury Government, officially opened the fair today, and received a flattering reception when he arose to speak at the directors' luncheon held in the Royal Canadian Cafe at noon. After being introduced by President John I. Platt, a regular storm of applause greeted Mr. Doherty.

Needs National Show.

Mr. Doherty told the directors, agricultural representatives and others present that Canada needs a national live stock fair and that the Royal Agricultural Winter Fair would probably come into its own in Toronto.

William Dryden would interview the premier on Friday in regard to the matter.

"It may be feared that such a show would hurt the exhibition here," said Mr. Doherty, "but you should have no fear, for as long as I have anything to do with it, at least, the show will continue in Guelph. The Government feels that the city of Guelph has made great sacrifices to build up the show, and we will see that it continues here. It would be impossible to run a national show unless there were feeders such as the Guelph Winter Fair to give the exhibitors courage to show at Toronto."

Receive Fair Deal.

"Agriculture will receive a fair deal at the hands of the Government. Agriculture is the backbone of the country, and it is our duty to see that it is properly supported."

IRRITABLE NERVES RESTORED AND HEALTH REGAINED IN A SIMPLE WAY

The man or woman who is rundown, not getting the best of life, perhaps irritable, nervous or sleepless, can afford to learn about the wonderful results the newly-discovered blood-food is giving to folks that use it.

There is wonderful power in this new blood-food, and every weak, pallid person can be quickly nourished back to health that uses it as directed.

After each meal, with a sip or two of water, you simply take two little chocolate-coated tablets, sold in all drug stores under the name of "FERRO-ZONE."

The effect is noticeable at once. You feel happier, brighter, more contented. That old-time feeling of weariness, depression—you forget your "nerves" and no longer get irritable or cross over trifling annoyances.

There is a reason for this change and that reason consists of the fact that Ferrozone contains blood-making materials you can get in no other way. Ferrozone makes the blood tingle and sing with new vitality. This insures lots of nourishment and strength being supplied to every part of the body.

No wonder the eyes brighten and the cheeks radiate color and happiness. With abundance of strength, a keen appetite, good digestion and plenty of sound sleep—all the result of Ferrozone—you quickly feel as if life held new charms and pleasures.

culture is the bed rock of prosperity, and live stock is the basis of agricultural prosperity, without which there can be no industrial prosperity.

"I cannot sit down without referring to the Ontario Poultry Association, which I believe has the greatest exhibition of its kind on the face of the earth. I want to compliment them on their show this year."

WHITE WYANDOTTE CLUB.

The annual meeting of the Canadian White Wyandotte Club was held in the council chambers of the city hall, Toronto, on Monday, Dec. 8.

There was a large attendance. The officers elected for the coming year were: Honorary presidents, Sid Saunders of Brampton, Joseph Russell of Toronto; president, John F. Martin, Port Dover; vice-president, J. E. Henderson, Sarnia; secretary-treasurer, W. G. Patton, Toronto; executive, George E. Bonquet, Toronto; R. Trevett, Newmarket; C. M. Baker, Calgary; R. W. Vought, Brockville; E. Smith, London.

The selection of a judge for the Ontario show will be held by mail. The next show will be held in Guelph.
