of Trade:

tially higher. To-day's receipts were 110 cars, with only 75 cars expected Monday. Country offerings are light, and in spite of the slack demand shipments are more than receipts. The short position in May is dangerous. Oats.—Retanrded oats seeding on account of rains, and the week end strength in other grains have firmed the September and worked for higher prices. Country offerings are decreasing.

one that he thinks he did hear a man about.

Mr. Henry was in the city Saturday interviewing the bank officials.

Assistant Wright says that he believes Henry's story, while he remembers hearing only two shots.

The police say that the holes in Henry's nightshirt were not made by a bullet, but are tears. Henry says that this may be true as well as his story. The police point to the location of the bullets, saying that they could not have lodged where found under the circumstances related. NAVIES AND PEACE.

Mrs. Baker Eddy Upholds the increase in Armament.

The Christian Science Sentinel of Saturday published the following statement:

WAR.

Mary Baker G. Eddy.

For many years I have prayed daily that there be no more war, no more barbarous slaughtering of our fellow-beings; prayed that all the peoples on earth and the islands of the sea have one God, one Mind; love God supremely, and love their neighbor as themselves.
