

KEEPING COOL

Really, even with the mercury at "90" it isn't unbearably warm. It's just the direct rays of the sun that you must avoid.

Keep your head cool and there's little danger, for we do not experience the humidity that comes to such cities as New York and Philadelphia.

Light weight, cool hats solve the problem for Torontonians, and, of course, light weight clothes.

We have some splendid lines of Panamas, just received from South America, made to sell at \$10 and \$12, for \$5.

Straw Sailors, worth \$1.50 and \$2, for \$1, and select lines at.....\$2.50 to \$5.00

COUNTY COMMISSIONERS LET BRIDGE CONTRACTS

Big Grist of News From West Toronto—Little Yorks Great Win—Interurban News.

WEST TORONTO, July 29.—In spite of all the fines that have recently been imposed on automobilists who exceeded the speed limit on Dundas-street, the danger to pedestrians seems to be not in the least minimized and many complaints are being made. A car darted down Dundas-street to-night, apparently going at not less than 30 miles per hour. Shortly afterwards two other autos followed, apparently in hot pursuit of the one gone before. Citizens are almost afraid to cross the street now, especially in the dusk of evening, as the chauffeurs seem to have a total disregard of the rights of pedestrians on the public highway.

The council is having trouble with some of the property owners, who persist in extending their lawns out to the sidewalk, often a considerable distance past the limits of private property. In one case on High Park-ave, a citizen has appropriated a strip of land in front of his house, not less than ten feet in width, extending out to the sidewalk. This ground is public property and yet it has been fenced in and shade trees planted as if it were private ground. A similar case exists on Lakeview-avenue. Works Superintendent Matthews will be instructed at the next meeting of council to have all the city's by-laws printed without delay, said one of the aldermen to-night.

The Canada Cycle & Motor Co. have closed down their works while the annual inventory is being taken. About 100 men are still employed handling rush orders. The works will reopen on Aug. 10 with a full force of employees working ten hours a day.

A grand musical festival will be given in the Salvation Army Citadel on Thursday evening by the Temple Silver Band. Farewell services will be held on Sunday in honor of Capt. Miss Jones, the popular leader of the army in West Toronto, who is leaving for her home in Woodstock, N.B.

Appropos of the decision of the property committee on Monday evening to have a number of copies of the by-law relating to fire limits printed, several lawyers in West Toronto suggest that this would be an opportune time to have all the city's by-laws printed.

for the different schools during the coming winter. The funeral of Miss May McBurnie, daughter of John McBurnie of Campbell-avenue, took place this afternoon at Mount Pleasant Cemetery. Rev. W. R. Taylor of Victoria Presbyterian Church officiated.

The new wooden steps that have been installed at the entrance to Victoria Presbyterian Church give the building a decidedly improved appearance.

EAST TORONTO.
Big Crowd of Enthusiasts Cheer Little Yorks to Victory.

EAST TORONTO, July 29.—A long distance telephone message from Preston to-night brought the welcome intelligence that the Little Yorks at Preston had defeated the locals by a score of 2-0, whereas there was great rejoicing. An immense concourse of townspeople went up to the factory town with the champions, and it was long after midnight before the special pulled into York Station bearing a cheering, happy, hot, dusty crowd, thronged together like clockwork. The barn-raising at Harry Rumble's on the third concession, H. Vaughn Township yesterday was a big affair, more than a hundred of Mr. Rumble's friends and neighbors, together with their wives and daughters, being present. The new building is a splendid structure, erected on a concrete wall with fine brick cellar and stables underneath, and is a credit to Mr. Rumble. The contractors will be closed. Not an accident of any kind occurred during the day, and the building went together like clockwork. The new barn will replace the one destroyed by fire. A bonfire of the old barn will be held on the lawn to all by Mr. and Mrs. Rumble.
