STRIKE IS THREATENED

BY CLOAK CUTTERS

Claim That Local Manufacturers

Are Making Articles for

Montreal Firms.

Organizer T. Black, speaking at a
meeting of the Cloak Cutters' Local,
No. 18, at the Labor Temple last
evening, stated that the cloak makers'
strike in Montreal is not yet over, and
Toronto may yet be drawn into it. He
stated that 400 men are now on strike
in Montreal, and information has
come to his notice that the manufac-
turers in Toronto are pupils of the
Montreal firms. "Committees are
now investigating," he said, "and
should there be any truth in the rum-
or, and I have every reason to be-
lieve there is, it will mean that To-
ronto will be embroiled in a strike
involving 2000 cloak makers. Up to
the present the Montreal bosses have
refused to negotiate with the union,
and settlements have been arranged in
some of the small shops. There are
about twenty women involved."

He was asked, "he answered emphati-
cally, 'No, they have been formed
and already has 200 women.' He said
that every precaution is being taken,
but the statement he had made, he
was afraid, was only too true.

The following officers of the union
were elected last evening: Auditors,
B. Cohen, B. Gervin and L. Reeves;
treasurers, E. Franklin and J. Spour.

Journemen Tailors' Increase

Fast Going Into Effect

At a well-attended meeting of the
Journemen Tailors' Union at the
Labor Temple last evening, presided
over by Alex Wilson, president, 12
new members were initiated into the
local. The matter of the new wage
schedule was discussed and it was
reported that good progress is being
made in many shops, and some are
now paying a ten per cent. increase.
A special committee is to be called in
about two weeks' time, when the mat-
ter will be taken up again, although it
was stated that no trouble is antici-
pated, and no strike is being talked
of.

FOR RETURNED SOLDIERS.

Mrs. R. H. Cameron, regent of the
Ladies' Bazaar, and her husband, Mr.
D. H. Cameron, of 701 Hiltown ave.,
on Friday evening and Saturday after-
noon and evening last for the third
time given for the P. O. D. Circuit
fund of the chapter.

Sixteen handsome prizes were
awarded by the hostess, and alto-
gether the event was a decided suc-
cess independent of the gratifying
financial result of over \$90 realized
for the returned disabled soldiers'
homes.

SUNK WITH MOUNT TEMPLE.

At the meeting of the Suffragists'
War Auxiliary held in the Central Y.
M.C.A. hall, Mrs. A. M. S. Stewart,
convener of the British Hospitals
Committee, reported that 47 cases in-
tended for a hospital in Britain were
down with the Mount Temple. She
also told of the refusal of shipping
companies to take the 37 cases now
ready for shipment.

W. A. QUIBELL DEAD.

The death occurred on Sunday last
after a brief illness of a prominent
civil service man in the person of W.
A. Quibell, who passed away at his
home, 59 Oakwood avenue. He was
born in Mount Albert, Ontario, sixty
years ago, and when a youth moved
to Toronto; and he later opened a gen-
eral store in Newmarket, and finally
moved to Toronto, where he was ap-
pointed stipendiary police magistrate for
Sudbury and Sault Ste. Marie under the
provision of the position of general mag-
istrate twelve years, when he was made
by the Laurier government a Domini-
on commissioner of police with head-
quarters at Port Arthur, Fort William
and Winnipeg. Five years ago he re-
tired and moved to Toronto, where he
was a board member of the Eaton
Memorial Park and a member of
the Parkdale Masonic Lodge. He was
also past deputy grand master of the
Masons in Thunder Bay district. He
was survived by his widow, one daugh-
ter, Alice; one brother, Charles N., of
Orillia; and two sisters, Mrs. Gledhill,
of Huntsville, and Mrs. Kelly, of Port
Erin.

MAY BECOME MANAGER.

The fact that the name of Joseph
Oliver is not on the list of nominees for
the board of directors of the Cana-
dian National Exhibition has given rise
to the rumor that Dr. Orr is about to
resign from the position of general man-
ager. Mr. Oliver will probably be
appointed in his place. Both assen-
sibly contradict this rumor, and state it
is merely gossip.

YONGE STREET FIRE.

An overheated stove was responsible
for the fire which broke out in a garage
at 185-46 Yonge street last night, and did
damage to the extent of \$900. The build-
ing was owned by J. R. Kelly and John-
son, and rented by H. Townsend. Damage to
the building amounted to \$600 to the
other contents \$300. The building was
a two-story frame structure.

by the Heliconian Club the handsome
sum of \$150 was cleared, and will go
towards the work of Mrs. Agar Adam-
son with the Belgian children.
