The "Pinch Back" is the Favorite Style in Young Men's Suits And Wednesday We Make Special Displays of Smart, New Models, Priced From \$13.50 to \$20.00

THE PREVAILING MODE in Young Men's Suits is fully exemplified in the handsome, new pinch-back models displayed in the EATON Men's Clothing Department this week. They possess all of that youthful, form-fitting and athletic appearance, so desired by well-dressed young men, and every model is the result of clever and careful tailoring. All have smart pleat effects running from shoulder blade down to and below half belt sewn at waist. The fronts of the coats possess good style, too, for they have soft roll peaked and notch shaped lapels, and are in 3-button, single-breasted style, with patch pockets. Vests close with five buttons, and trousers are plain or finished with cuffs.

SOME OF THE SPLENDID VALUES

One model at \$13.50 is made of a cheviot finished tweed in a blue-grey shade, with a small check of green and golden. An exceptionally rich pattern that should appeal to the young man. Sizes 33 to 38.

Made in similar style is a Suit with a black ground with grey, forming a pin check. Linings of fine lustre. Price 15.00

At \$16.50 a medium grey pin check pattern, in a clever design.

At \$18.00 a two-button, pinch-back model with patch pockets. The material is a tweed in dressy finish black with grey, a pepper-and-salt mixture.

At \$20.00 a similar model, in a very pretty dark grey, with chalk-line stripe, in cheviot finish material.

Fox's Non-Fray Spiral Puttees, in correct shade of khaki, extra special values, per pair, \$1.60

New Arrivals in Boys' Spring Suits, Priced at \$8.00, \$8.50 and \$9.00

Patch Pockets and Pinch Backs Mark the New Effects

One particularly smart model of soft finished tweed is in choice of two patterns—a grey mixed effect and a brown pin check. The coat is 3-button single-breasted style, and has 3 patch pockets at front. The back has one box pleat running down centre from yoke to bottom, and from the waist at each side of pleat are a few smaller pleats, giving the pinch-back effect. The belt is 3-piece and sewn on at back only, and the suit is lined with good twill body linings. Bloomer pants are full fashioned.

Play Billiards at Home

A 3 1/2 x 7 Ft. Table of Perfect Construction is Offered by Sporting Goods Department for the Remarkably Low Price of \$115.00

A BILLIARD TABLE in the home provides enjoyment for both young and old, as well as interesting entertainment for friends. It's a handsome piece of furniture for den or library, and if properly taken care of will practically last a lifetime.

Although the table we feature is not the largest size, it embodies all the qualities of a full-sized model. It is made in mission or mahogany wood finish and has perfectly level slate bed and fast even rubber banks, and includes a set of 2-inch composition balls, a rack, marker, and 4 cues. Arrangements with a large manufacturer and the buying of several tables at a time for cash is responsible for the remarkably low price of this billiard table and outfit. Come in and see it, try it, no obligations to buy. An EATON value extraordinary at ... 115.00

PARKS OF ENGLAND WILL GROW CROPS

Plows Set to Work on Sod of Historic Beauty Spots.

TO PRODUCE CEREALS
London's Open Spaces May Also Furnish Vegetable Gardens.

Special Cable to The Toronto World.
London, Feb. 12.—The great parks of England are being sacrificed to feed the nation as one of the results of the establishment of the "submarine blockade" by Germany.

Sir Alfred Mond, first commissioner of works, after obtaining the permission of King George, has decided to bring under cultivation some selected areas in Richmond Park and Bushey Park.

amount of labor available was also ascertained.

London Parks Unsuitable.
The case of the London parks, which has also been carefully considered by the first commissioner, is felt to be in a different category. If land in London parks were plowed up it would not yield good crops. It is heavy clay land, and moreover the soil and acidity in the atmosphere are not favorable to the growth of plants with furry leaves such as potatoes.

A scheme has been devised to make use of a little ground in Kensington Gardens or Hyde Park, and in Regent Park. The ground will be selected where it can be easily visited by the public. The park staffs will be employed to cultivate it and grow varieties of vegetables suited to London conditions, and it is intended that during the hours the parks are open a responsible person shall be in attendance for the instruction of enquirers.

NEW JERSEY LEAGUE WON'T FIGHT FOR U.S.

German National Alliance Opposed to Forming German Regiments for American.
Special to The Toronto World.
Newark, Feb. 12.—The New Jersey State League, German American National Alliance, is opposed to forming German regiments to fight for the U.S. and against using for other purposes, money collected for war sufferers in the central powers.

THREE CANADIAN RAIDS DO DAMAGE

(Continued from Page 1.)

casualties inflicted on the enemy without loss to the raiders.

As was to be expected, the enemy were found alert and ready, and our men had to fight their way into the German trenches. In the trench a sharp bombing duel took place on both flanks, in which the enemy was driven off with loss. Before our party returned they destroyed two dugouts with bombs. According to the prisoner, these dugouts each held six men, so that the enemy's casualties probably amounted to 20, while our own, as already stated, were nil.

Second Raid Larger.

The second raid covered a frontage of 700 yards, and in this operation well over 150 men from two battalions, recruited in Manitoba and Alberta, took part. The particular objectives of our troops were the capture of prisoners and the destruction of hostile mine shafts, and they accomplished not only this, but a good deal more.

contributed in no small measure to the success of the operation.

The left party remained in the enemy's trench for a quarter of an hour, during which time they completely cleared it of Germans and destroyed all important works with explosives, finally returning with several prisoners and a machine gun.

When all the raiders were back in our own lines two officers returned to the German trenches to see if the enemy had been left behind, and in addition, they brought back two more prisoners.

In this admirable operation 21 prisoners and one machine gun were captured and two machine guns, two mine shafts, six machine gun emplacements and 22 dugouts were destroyed. More prisoners might have been taken, but speed was essential, and our men were instructed not to waste time over Germans who hesitated to surrender or come out of their dugouts.

CURTAINS COME DOWN

Brantford Police Will Not Allow Draped Stalls in City Restaurants.
Special to The Toronto World.
Brantford, Ont., Feb. 12.—Following his dictum that curtains on all restaurant stalls here must be drawn, Chief of Police Slemin has now ordered that all be removed. Some of the proprietors had secured decorations to drape the curtains with taste. This work has now been made useless, all curtains having been removed under threat of cancellation of licenses.

ENTERED SPANISH PORT TO SINK GREEK VESSEL

German Sub. Commander Showed Utter Disregard of Neutrals' Rights.

New York, Feb. 12.—A German submarine entered the neutral Spanish harbor of Las Palmas, Canary Islands, on Dec. 6 and sank the Greek steamship Spyros, according to two of the freighter's seamen, who arrived here today on the steamship Morro Castle. Recent maritime records told of the Spyros being towed to "a Spanish port" after being torpedoed.

The sailors arriving here said the Spyros put into Las Palmas on her voyage from Buenos Aires, carrying grain for Hull, England. The U-boat entered the harbor, they asserted, and notified the captain to abandon his ship within 40 hours, at the end of which time it would be destroyed, and the threat was fulfilled.

"WOLVERINE" EXPRESS MEETS WITH ACCIDENT

Fast M. C. R. Train Has One Car Derailed, But No One Badly Hurt.
Special to The Toronto World.
Chatham, Ont., Feb. 12.—While traveling at a rate of speed estimated at between fifty and sixty miles an hour, the fast "Wolverine" express on the M.C.R. one of the fastest trains on the continent, met with an accident about a quarter of a mile west of the Charing Cross station last night. A broken flange on one of the wheels on the baggage car caused this car to jump the track. None of the passengers were hurt, but one of the baggagemen had his hand slightly cut. The train was delayed about three hours.

FIRE DESTROYS FINEST NEW LONDON BLOCK

Business Centre of Town Escapes Destruction by Narrow Margin.

Special to The Toronto World.
New London, Feb. 12.—With the thermometer registering several degrees below zero and a driving wind sweeping over the city, the Meohan apartment business block, one of the finest in the city, was gutted by fire early tonight.

For a time it was feared that the entire business centre of the city was doomed, so rapidly did the flames spread, but shortly after nine o'clock it was reported that the fire was under control.

Kaiser Inspected Submarines On Day Campaign Started
