Receive Applications

Boston, Sept. 23—The Red Sox management announced today that application for the world's series games may now be made. President Joseph J. Lannin is sure that Carrigan's band will win the American League flag, and he has wired the Red Sox Club officials from Cleveland to begin preparations for the title contests.

If the Red Sox take part in the world's series they will play their Boston games at Braves Field, as they did last year, when they met the Phillies. It will be possible to accommodate almost 35,000 fans at each of the games played in this city.

In the sale of tickets the Red Sox management intends to adopt the same system it employed last year. Application for tickets should be sent to the Boston American League Baseball Club, 24 Jersey street, Back Bay. No money or checks should be forwarded with the application for seats. The Red Sox management announced that no person will be allowed more than four tickets for a single game. The tickets will be sold in three-game blocks. If a third game is not necessary, ticket holders will receive a refund at the end of the series.

Box seats will cost \$5. Grand stand seats will be \$3 a game, with seats in the first and third base bleachers selling at \$2. The \$1 seats will be sold on the day of the games.

Note the construction of the Klosed-Krotch Union

WATSON Klosed-Krotch union suit can by no chance prove uncomfortable. The Krotch is closed like a pair of drawers. Therefore, there is no binding, gapping or sagging. And there are no buttons between the legs, no loose bunching folds to rub and get into the crease of the seat. And yet as you see the seat flap is so constructed that it folds back, opening the entire seat. Sold by nearly all good haberdashers.
