

VISITOR TELLS OF WEMBLEY WONDERS

Engineers Hear Interesting Lecture by Fraser S. Keith of Montreal.

That when Sir Arthur Conan Doyle said of the British Empire Exhibition, "Wembley—a great educational factor and the class room of the world," he was not far amiss, was ably illustrated by Fraser S. Keith, general secretary of the Engineering Institute of Canada, in his address before the St. John branch at a dinner in the Union Club last night. Mr. Keith held the audience of engineers in rapt attention for more than an hour and by the aid of lantern slides, took them for a tour around the grounds, which in its thorough survey of the vast exposition and the explanation of the buildings and exhibits, could only be rivalled by a personal visit to Wembley itself. Every part of the entire show was visited. Exterior and interior views of the buildings of Canada, Britain, Australia, New Zealand, Newfoundland, East, West and South Africa, West Indies, Ceylon, India, and all others exhibiting were shown. Many things were told of the products and customs of the peoples of these different lands. The illustrated lecture gave the hearer a realization of the vastness of the British Empire, the greatness of the Dominion, the wonderful development in science, that has been made within its borders, and instilled into everyone a fuller appreciation of the Empire of which each was a citizen.

The dinner was a distinct success in all of its different phases. The dinner itself was enjoyable. The address of Mr. Keith was an eye opener into the wonders of the Empire. The presentation of the charter of the St. John branch of the Engineering Institute of Canada, to C. C. Kirby, by F. A. Bowman, M. E. I. C., of Halifax, vice-president of the Engineering Institute of Canada, was significant in the history of the St. John branch. The attendance was large. An address by C. E. W. Dodwell, Hon. M. E. I. C., Halifax, and one of the charter members of the Canadian Society of Engineers, filled with humor and solid advice, was greatly appreciated. The combined programme and menu, a rather novel composition, was favorably commented upon. The presentation to G. G. Hare, president of the St. John branch, of a life membership in the institute, was a particularly pleasing feature.

Those Present. Included C. E. W. Dodwell, Halifax; F. A. Bowman, Halifax; Fraser S. Keith, Montreal; J. R. Freeman, G. E. Murdoch, H. F. Morrissey, W. W. Alward, W. R. Pearce, George E. Howie, S. R. Weston, D. F. Maxwell, St. Stephen, A. R. Crookshank, R. H. Cushing, D. L. Hutchinson, G. Stevens, C. Webb, J. N. Flood, H. G. Evans, E. A. Thomas, J. M. Lamb, J. H. McKinney, George Watson, James Childs, C. S. Bennett, E. J. Owens, W. E. Earle, F. P. Vaughan, G. G. Hare, J. W. Hughes.

C. C. Kirby, M. A. Pooler, J. B. Sterling, Barry Wilson, A. W. Wilbur, H. C. Cairns, A. G. Tapley, George H. Lowry, J. A. W. Waring, A. A. Turnbull, John L. Holman, G. G. G. Murdoch, A. Gray, A. C. D. Blanchard, W. J. Johnston and S. G. Timmins. G. G. Hare was chairman and introduced Mr. Keith. Mr. Keith before entering on his lecture on Wembley, announced that he had been commissioned by the council to perform a very pleasing act and presented to G. G. Hare a life membership in the Engineering Institute of Canada. This signal honor was only conferred on those who had done some special service to the institute Mr. Keith explained. Mr. Hare's associates received the news by pledging a toast to his health and in giving him three cheers and a tiger. Mr. Hare replied briefly. Mr. Keith then launched into a discussion on Wembley. At the conclusion of his address a vote of thanks was moved by C. C. Kirby and seconded by F. P. Vaughan.

F. A. Bowman presented the charter to the St. John branch. C. C. Kirby received it as one of the charter members. He spoke briefly. The address of C. E. W. Dodwell brought the gathering to a close. The Charter. The charter presented to the St. John branch of the Engineering Institute of Canada by F. A. Bowman, M. E. I. C., of Halifax, vice-president of the institute, was an interesting feature of the dinner. The charter and list of members of the St. John branch discloses the names of a number of former residents of the city who in recent years were engaged in engineering works in this vicinity. Attention was called to the movements of the members of the engineering profession to different parts of the country with the varying construction needs of the different localities. Former members of the St. John branch who have scattered are: E. G. Horne, to Montreal; J. K. Scammell, Los Angeles, California; A. B. Blanchard, Baddeck, C. B.; H. H. Donnelly, St. Vincent du Paul, P. Q.; A. R. Dufresne, Montreal; C. O. Ross, Penacook, Vermont; Horace Longley, Sydney, N. S.; F. G. Goodspeed, Winnipeg, Man.; E. G. Cameron, St. Catharines, Ont.; Colonel J. Houlton, Ottawa; H. F. Bennett, Halifax, N. S.; R. D. Jones, St. Catharines, Ont.; C. A. Grant, Thorold, Ont.; N. F. Nutter, Truro, N. S.; V. S. Chestnut, Midland, Ont.; Bernard A. Allen, Montreal.

There are branches of the Engineering Institute of Canada in the province at St. John and Moncton. The St. John branch, with headquarters at St. John, has 65 members in the city and 35 members resident in the nine western counties of New Brunswick. Since the St. John branch was formed in 1912, the following have been branch chairmen: A. Gray, M. E. I. C.; C. C. Kirby, M. E. I. C.; G. G. Murdoch, M. E. I. C.; F. P. Vaughan, M. E. I. C.; A. G. Tapley, M. E. I. C.; H. F. Bennett, A. M. E. I. C.; G. N. Hatfield, A. M. E. I. C.; G. G. Hare, M. E. I. C.

The motto of the Engineering Institute of Canada is as follows: "To facilitate the acquisition and interchange of professional knowledge among its members, to promote their professional interests, to encourage original research, to develop and maintain high standards in the engineering profession, and to enhance the usefulness of the profession to the public."

Westclox

A workaday watch

ANY watch that keeps reasonably good time is a delicate instrument, and gives better service when given good treatment.

Some men do rough work and do not care to risk carrying an expensive watch. Other men have an extra watch, an inexpensive one, when they are roughing it. Pocket Ben is good looking, reliable and inexpensive.

A surprising number of men who could afford more expensive timepieces carry Pocket Ben for economy's sake. Pocket Ben wears the Westclox trade mark on its dial. That means that it has passed careful timekeeping tests before it left the factory. Its price is \$2.00.

WESTERN CLOCK CO., Limited, PETERBOROUGH, ONT.

FAIRVILLE W. M. S. HAS OPEN SESSION

Large Gathering Hears Interesting Programme in Methodist Church.

The annual public meeting of the W. M. S. of the Fairville Methodist church was held last night in the schoolroom of the church with Mrs. J. M. Rice, the president, in the chair. The room had been very prettily decorated with rows of berries and wild flowers. Mrs. Rice led the opening devotions and a scripture reading was given by Mrs. William McCavour. Rev. J. M. Rice offered prayer. An encouraging report of the year's work was given, showing that there had been an increase in membership and in funds. The society now has 34 regular members and 80 associate members, and it raised the creditable sum of \$83.21 through the mite boxes, the opening of which took place at the October meeting. It was specially remarked that the strangers' secretary, Mrs. Arthur Long, and the members of her committee had made no less than 1,200 visits during the year and sent out 100 greeting cards to aged members of the church and to missionaries.

An interesting programme was given in which a motion song trio was contributed by Margaret Lester, Shirley Brownell and Mary Kelly; recitation by Mildred Crosby and chorus by 10 girls of the mission band. Mrs. Arthur Long, delegate to the branch meeting, gave a reading entitled "Listening In," which comprised thoughts gleaned at the convention. An exercise was given by seven girls of the mission band who displayed the tools used in making "The Palm Branch," their magazine. The duet "Have Thine own way Lord," was sung by Miss Vivian McCole and Miss Lottie Kelly, with Mrs. Arthur Long as accompanist.

Mrs. Rice introduced Mrs. R. G. Fulton, who after extending congratulations on an address entitled "At the Cross Roads," Mrs. Fulton used a chart to illustrate her address and spoke specially of the need and the present great lack of missionaries. She closed by quoting the poem "Our Need," by Rev. Canon Scott. Mr. Rice in a brief speech spoke of the great work of the church as missions. A hearty vote of thanks was extended to Mrs. Fulton for her address.

The girls of the Mission Band who took part in the programme were as follows: The Misses Mildred Crosby,

Dorothy Rice, Margaret Stout, Audrey Morrison, Dorothy Spence, Vera Wayland, Hazel Craft, Hazel McCumber, Luella Bunnell and Evelyn Sargeant.

WOMEN'S LEAGUE MEETS. The monthly meeting of the Women's League of St. David's church was held yesterday afternoon with a large attendance. Mrs. A. D. Malcolm, president, was in the chair. Minor business matters were completed and plans were perfected for the annual tea and sale to be held the last of this month. The superfluity sale, held in October was reported as successful, and a substantial sum realized for the funds of the league. The members were much encouraged at the interest taken in the work at this meeting.

DEARSON'S GOLDEN SYRUP

A Friend of the Family

The syrup with the wonderful flavor, combining the wholesome and digestible characteristics of corn syrup with the attractive flavor of the cane.

OXO Feeds the Family's Needs

The family needs good food—especially young children. OXO food is good food, because OXO is the concentrated nourishment and goodness of prime lean beef in the most assimilable form.

Add OXO to your meat-dishes—soups, stews, hash, croquettes,—and see how much better they taste,—and how the children will enjoy them!

Give the children a cup of hot OXO, too, when they come home from school. OXO warms and strengthens as well as feeds.

Painting Book.
Thousands of children throughout the British Empire are being amused and instructed by this book. Send four OXO Cube wrappers and get a copy for your boy or girl. Oxo Limited, 231 Lombard St., Montreal.

HALL MOVED TO NEW LOCATION

East St. John United Church Has Place For Services

After nearly two months of toilsome progress from its former site the old East St. John Community Club hall has been placed in position on the property purchased by the United Church and it will be ready for the first services for the united congregation to be held on Sunday. Rev. W. J. Bevis, the minister, is now occupying a rented building at the corner of Park avenue and Beacon street, which has been secured temporarily as the manse and is situated close to the church. It is the intention of the congregation to use the hall until the spring time at least and in the spring it is probable that work on a permanent church building will commence, although nothing definite in this regard has yet been decided upon. A wall is being built around the hall and a basement will be placed under it. Although the distance which the hall was moved was about 1,000 feet the actual distance moved was not so great as it appears. The hall was kept busy blocking up the structure. Since the hall has been placed on the new site the members of the congregation have been assisting in getting it to rights in readiness for the opening services.

WEALTHY B. C. MAN HELD ON DRY LAW CHARGES IN U. S.

(Canadian Press Despatch.)
San Francisco, Nov. 12.—F. R. Anderson, wealthy attorney of Vancouver, B. C., and Russell Whitlaw, also of Vancouver, and reputed millionaire, were among scores of individuals indicted here today by a Federal grand jury on charges of violating the prohibition law and the treaty agreement between the United States and Canada relative to shipping liquor into the United States. The indictments followed a long investigation by the grand jury into the circumstances surrounding the sailing from Canada of the steamer Quadra, seized by the United States coast guard cutter Shawnee with liquor aboard, and valued at \$500,000 on said board, and the mysterious voyage of the sloop Giulia, wrecked in the Pacific and abandoned by her crew. The officers and members of the crews of the two vessels are included in the list of defendants.

The quick-time breakfast

QUICK Quaker cooks perfectly in 3 to 5 minutes—less time than it takes to boil the coffee. The big, plump oat grains are cut in two, rolled thinner, and partly cooked before packing.

Quaker Oats and Quick Quaker build strong sturdy youngsters, and keep the whole family healthy the year round.

Both are milled from the finest Canadian Oats. With milk or cream they contain all the food-values that young children need. Both have that supremely delicious Quaker flavour.

Your grocer has both kinds of Quaker Oats now. Get whichever kind you prefer. Look for the picture of the Quaker on each package.

BENEFIT BRIDGE FOR THE KINDERGARTEN

Mrs. Allan G. McAvity opened her pretty home for a benefit bridge last evening, when there was play at ten tables and more than \$45 realized for the funds of the Free Kindergarten Association of which she is president. Several persons have offered additional donations which will swell the fund. Chrysanthemums were arranged about the rooms where the tables were placed. The prizes were won by Mrs. R. Max McCarthy, Mrs. George Fleming, Mrs. John J. McCabe and Mrs. Atwater Smith. Mrs. G. Heber Vroom and

Mrs. Arthur S. Bowman presided over the tea cups at supper time. Mrs. Walter A. Harrison, Miss Katherine Bell and Miss Dawson assisted in serving.

Those present were Mrs. Frank R. Fairweather, Mrs. G. Fred Fisher, Mrs. Charles Miller, Mrs. F. C. Beatty, Mrs. George Macdonald, Mrs. Fred J. Harding, Mrs. Charles S. Hamington, Mrs. G. Fleming, Mrs. J. R. Haycock, Mrs. J. M. Woodman, Mrs. W. A. Harrison, Mrs. G. Heber Vroom, Mrs. A. S. Bowman, Mrs. H. L. Spangler, Mrs. R. Ernest Smith, Mrs. Cyrus Shumway, Mrs. Walter Gilbert, Mrs. Wetmore Merritt, Mrs. Atwater Smith,

Mrs. T. William Barnes, Mrs. A. C. Wells, Mrs. J. Charlton Berrie, Mrs. R. Max McCarthy, Miss Katherine Bell, Mrs. William McAvity, Miss Louise Stewart, Miss Norah Stewart, Mrs. S. McAvity, Mrs. W. E. Anderson, Miss M. H. Hunter, Mrs. John J. McCabe, Miss Annie Addy, Mrs. Harry Peterson, Mrs. J. M. Robinson, Jr., Mrs. H. W. Frink, Mrs. Beverly Armstrong and Miss Bessie Dawson.

Mrs. McAvity will hold an executive meeting of the Free Kindergarten Association at her home this evening.

Sheffield plate was discovered in 1742 by Thomas osover, a Sheffield mechanic.

"But, DOROTHY, salad forks go on the INSIDE!"

DOROTHY changed the forks with a start. She resented Mary's tone of mingled surprise and reproval. But she resented more the fact that she didn't know where the salad forks went. No wonder, either. There were no salad forks at home, nor bouillon spoons, nor many of the other beautiful things they used at Mary's house. Dorothy felt as though she had missed much—because her mother hadn't enough silverware.

Does your silverware help your children to be so familiar with correct usage that good table manners are their natural inheritance? Perhaps not! Even now you may be "getting along" with silverware that falls short of your taste and desire because you do not realize that in 1847 Rogers Bros. Silver-plate you can complete your silver service easily and at reasonable expense. And that you can provide every kind of piece you ought to have—bouillon spoons, salad forks or serving pieces—each unsurpassed in beauty and durability.

And when you need more pieces in the chosen pattern, you will be able to get them easily; for leading dealers throughout the Dominion have the newer 1847 Rogers Bros. patterns in stock.

May we send you a copy of our booklet, "Etiquette, Entertaining and Good Sense"? Its illustrations of table settings are authoritative to the last degree. You will find it full of suggestions for successful entertaining. Write for it to-day. Meriden Britannia Co., Limited, Hamilton, Ontario.
