New York, April 10—Conferring on themselves the "freedom of the city," an unknown number of yeggmen spent the last week-end here, cracking seven safes on Saturday night and Sunday, obtaining nearly \$15,000 in loot and getting away with all of it, according to a reluctant admission by the police tonight.

MERELY WORK OF

Regarding the pressing housing problem, valuable information was furnished
yesterday by G. A. Ross of Ross and
McDonald, Montreal architects, who has
been connected with the reconstruction
work in Halifax. He explained the cost
and nature of the hydro-stone houses,
also plans and sketches, to City Engineer
Hare, W. F. Burditt, Mayor Hayes, Commissioner Bullock, A. H. Wetmore and
M. E. Agar.

GLENN, BROWN & RICHEY

"There is reason to doubt whether, as alleged, Americans have been to Russia and have returned, but it is a fact that no such proposals have been brought before the British delegates in Paris. It is, of course, possible that these gentlemen may have communicated with the delegates of other countries."

Personally, Mr. Shortt said, he believed that the whole story of Lenine being ready to negotiate was German manufactured for the purpose of making other countries believe the Bolshevists were really peaceable, civilized persons. The Germans were spreading Bolshevism wherever possible, and it was their only hope, because where it went weakness supervened.

In conclusion, Mr. Shortt announced that either Premier Lloyd George or Andrew Bonar Law, the government spokesman in the House of Commons, would be in London next week and might be able to give more information.

ROTHESAY AFFAIR SUCCESSFUL

A sale and tea given yesterday by the Duke of Rothesay Chapter I. O. D. E., at St. Paul's church school room was a great success. On the platform was a new standard chapter, presented by William S. Allison. The sum of \$250 was realized.

Mrs. William S. Allison is regent of the chapter. Those in charge of the tables were:—
Candy table—Miss Nan Fairweather, Miss Pitcher.

Home Cooking—Mrs. John McIntyre, Miss Muriel Fairweather, Mrs. H. F. Puddington, Miss Gilbert, Mrs. Rupert Turnbull. Baby table—Mrs. Carritte.

Tea—Mrs Thomas Bell assisted by members of the chapter.

Mrs. Holly, treasurer, acted as cashier.

The Fredericton 1949 spring candle-pin tournament opened on Tuesday evening at the Palace Bowling Alleys. One match was between the C. N. R. team and Jeepers' Club, in which the C. N. R. team won the four points. The second match was between the Department of Soldiers' Civil Re-establishment team and the Palmer-McLellan team, in which the D. S. C. R. team won one point and the D. S. C. R. team won one point and the other three. There was only one good score, 100 by J. Palmer.
