N. S. MINERS' COMPLAINTS AGAINST GOVERNMENT.

Sydney, N. S., Aug. 28.—Charges of maladministration on the part of the Murray government, in connection with the enforcement of the mining laws of Nova Scotia, were made by representatives of the U. M. W. at their convention yesterday. These charges came from delegates who cited specific instances of alleged neglect on the part of deputy mine inspectors as well as unsympathetic consideration of the miners' demands by Hon. E. H. Armstrong, commissioner of mines in the provincial government.

Rodney Wharf Car Service.

The petitions of the New Brunswick Power Company and the city of St. John relating to street car service on Rodney wharf were before the Public Utilities Commission again yesterday afternoon, but owing to the absence of counsel the hearing was adjourned sine die. The company asks leave to discontinue their service down the wharf to the ferry floats, now maintained by the Queen square cars while the city asks that this be continued and that the bridge line cars also should be required to make the trip down the wharf.

PRACTICAL ECONOMY

It is Different Because it is Dry

IN the last few years, powdered separated milk has become almost a necessity in Canadian homes in the dry form—KLIM. It is so easy to order Klim from the grocer and use it from the clean tin as needed. There is no waste with Klim; it remains sweet and fresh until all used. Saves bottle washing, sour milk waste and delayed meals waiting for the milkman.

Has it a Bluish Cloudy Look?

DAMPEN a piece of cheesecloth, wring out the excess water, add a few drops of O-Cedar Polish to the cloth—then rub over the varnished surface. Finish with a dry cloth—and all that bluish cloudiness will have disappeared.
The O-Cedar result is a smooth, glossy surface that improves with each O-Cedar treatment.

O-Cedar Polish

"clean as it polishes." On the phonograph, piano, table, floor—any varnished surface—its influence is sanitary and hygienic as well as in the interests of "the home beautiful."
The O-Cedar Polish Mop, treated with O-Cedar Polish, is obtainable in either round or triangle shape—price \$1.50.
O-Cedar Polish is sold in various sized packages from 25c to \$3.00. You will find both Polish and Mop at any Grocery or Hardware shop.
