St. John bank clearings for the week ending today were \$2,852,445; corresponding week last year, \$1,983,139; corresponding week 1916, \$1,598,992.

**FOR LONE SOLDIERS.**  
A business which was held in Champlain street on Tuesday by Clara Scott, Marion Craft and Audrey Appleby produced the sum of \$7.50, which was handed to Mrs. A. W. Fraser of the S. C. A. for the Lone Soldiers' Fund.

**WHITMAN TRIAL ON.**  
The case of the King vs. Whitman, in which the defendant is charged with stealing goods from W. H. Thorne & Co., Ltd., was resumed in the County Court this morning, before His Honor Judge Armstrong and Mr. Mullin, K. C., appearing for the defendant and George H. V. Jolyon, K. C., and C. H. Ferguson for the prosecution.

**FIRE CALL.**  
An alarm was rung in about one o'clock this afternoon from box 144 as flames were noticed coming from an unoccupied barn in Elm street, owned by the Sterling Realty Company. The firemen were quickly on the scene and the blaze was extinguished before much damage was done.

**FEAR TOTAL LOSS.**  
J. Willard Smith received a telegram this morning from Captain Elmer Seaborn of the schooner Leah D., which was wrecked near the breakwater at Margareville, N. S., during the storm Tuesday night, saying that he feared his ship would be a total loss and asking him to inform the owners of the cargo to that effect. The schooner had a cargo of timber and ship's outfit and it is feared that this will be lost.

**McLACHLIN-MARSHALL.**  
A very pretty wedding took place on Wednesday afternoon at the home of Mr. and Mrs. David Marshall, Little River, when their daughter, Lillian Beatrice, was united to Ian Robertson McLachlin, also of Little River. The ceremony was performed by Rev. F. E. Boothroyd in the presence of many guests. Many pretty and useful presents evidenced the good wishes of a large number of friends.

**ALL KINDS OF SOLDIERS.**  
There was a lot of military activity in the depot when the trains arrived at noon. A large party of Siege Battery boys came back after a Frederickton furlough jaunt and about fifty other soldiers returned after furlough leave. In addition there were several squads of draftees and a party of fifty-six Jewish lads for the legion in training in Nova Scotia. The latter lived things up while marching through the streets to barracks.

**RAILWAY PATRONS PLEASED.**  
Those who had occasion to use the Royal station were delighted yesterday when they found men at work laying a new asphalt paving in the walk from the southern side of Mill street to the front entrance. A well graded and properly crowned walk will give passengers an opportunity to pass that way in wet weather without the former assurance of wet feet. Mention of the deplorable condition of the path was made in The Times a few days ago.

**A NOVELTY SHOWER.**  
About sixty young friends of Miss Mabel Maher gathered last evening at the home of Mrs. Ida Cooke, 218 City Road, to tender Miss Maher a novelty shower. A very pleasant evening was spent. The treat began with a mock marriage, followed by music and games. In the midst of which Miss Maher invited into the parlor and a beautiful electric lamp was presented by Mr. Morrissey in behalf of the students of the Bell, with whom she is employed. There also were from the young ladies gifts of china, linen and silver; and from the young men a handsome mahogany parlor table. A dainty luncheon was then served, followed by games and the happy party finally dispersing with hearty cheers for the bride-to-be.

## TO USE ARMORY

Part of Depot Battalion to Be Quartered There—Local Men For Siberia

It was learned this morning that the Depot Battalion during the winter months will not occupy their former quarters in the exhibition building. The remainder of the battery will soon be pulling up stakes as the weather is commencing to get cool.

Where the battery will be quartered during the winter is still a question in the minds of the military officials. Their barracks on Partridge Island has been burned down, and although the work of rebuilding has been started, it will be sometime yet before it will be completed.

Six members of the Army Service corps here, who have been on the strength since New Brunswick was made a command, left last evening for Ottawa, where they will join the army service unit going to Siberia. Those who left were: Sergt. McEwan, Sergeant McLean, Corporal Youngman and Drivers Walter Trueman, D. Porter and D. Saunders.

**U. S. CONSUL CLEARS UP MISLEADING STATEMENT AS TO AMERICANS HERE**

Reference to the registration obligation of United States citizens now in Canada, contained in a Canadian Press despatch from New York in the morning papers, is misleading, said H. S. Culver, United States consul, today. Mr. Culver agreed that those citizens who are planning to return to the United States to report at their former homes within the sixty day period allowed are under no obligation to register in Canada but those who intend to remain in Canada must register with the nearest consul, and thus make themselves subject to the regulations of their own country. Otherwise, at the expiration of the time limit, at the end of this month, they will be liable to be drafted under the Canadian military service act, recording to the terms of the international treaty which deals with this situation.

## LIEUT. CHARLES SMITH KILLED

Sad News Comes To Parents At St. Patrick St. Home

Other News of Casualties—A Large Number of Dead in The List Received From Ottawa Today

That their son, Lieut. Charles Smith, had made the supreme sacrifice on the battlefields of France on Sept. 3 was the heart-breaking news received by Mr. and Mrs. Harry Smith of St. Patrick street this morning. Lieutenant Smith volunteered for service in No. 5 Army Service Corps under Lieut.-Colonel Muskie and soon won a sergeant's stripes. He crossed overseas with that unit and remained with them until about a year ago when he was recommended for a commission and was appointed as a lieutenant in an infantry unit. He participated in all the recent big drives of the Canadians and was recognized as a fearless and clever leader. On Sept. 3 during an advance against the Huns he fell mortally wounded.

He was only about twenty-three years of age. He was a young man of sterling character, well known and respected throughout the city and a host of friends will sincerely regret to learn of his death. Besides his parents he is survived by one brother, Frederick, who is a member of a siege battery unit, and one sister.

**J. P. Bastian Killed.**

Wood, Acadville, N. B., and Mrs. R. Wood, Campbellton.

**Pte. John Spellman.**  
Mrs. Walter Whipple, 47 Clarence street, received word from Adjutant General Canadian Militia that Pte. John Spellman was admitted to the Cambridge Hospital, Aldershot, Eng. on Sept. 6, suffering from gunshot wound in his left hand. Private Spellman enlisted in Aug., 1914. Prior to going overseas, he was employed with Hutchings & Co. Woodville.

**John McLaughlin of Millidge Avenue** received a telegram this morning notifying him that his son, Thomas John Lindsey McLaughlin, had been admitted to hospital in Manchester, England, on Sept. 6, suffering from a gunshot wound in his left thigh. He crossed overseas with an Ottawa Battalion. Friends in St. John will hope for early favorable report.

**RENFORTH HOUSE IS DESTROYED BY FIRE**

A pretty summer cottage at Renfouth was entirely destroyed, with all its contents, by fire at an early hour this morning. The building, which was of one and a half stories, located north of the Chisle between the railway tracks and the shore of the river, was owned by C. A. Clark and occupied by Frank E. Shea of the Brayley Drug Company staff. The building was valued at about \$800 and was insured for \$450. Mr. Shea lost several hundred dollars' worth of household and personal effects, on which he had \$200 insurance.

The fire was seen by neighbors about 2 o'clock this morning and the house was then a mass of flames. Those who were first knew that Mr. Shea and his family were in the house last evening and, when they were not in evidence, it was feared that they still were inside the blazing building. It was learned later, however, that they had returned to the city on the evening train and that no one was in the house when the fire occurred.

Mr. Shea said today that there had been no fire in the house since 6 o'clock last evening and he could not account for the origin of the fire unless it had been caused by a spark from a passing locomotive falling on the roof.
