**Your money back if Purity Flour does not prove entirely satisfactory in the baking.**

DON'T simply buy flour from the dollar and cent side of it. Buy high quality flour. That means PURITY FLOUR. The first little extra cost is more than made up by the extra number of loaves of bread it makes—by the superiority of the bread and pastry in sweetness of flavor and nourishing qualities. Buying Purity Flour is a safe investment. You get large returns, not only on account of Purity's ability to produce more, but because Purity contains the greater nutrient and the germ of a strong hard wheat flour. Food made from Purity Flour gives the consumer health, strength and force, which cannot be gained from any other flour so soft wheat flour.

**"MORE BREAD AND BETTER BREAD"**

## PURITY FLOUR

You can buy as little as a 7 pound cotton bag or in 14, 24, 49, and 98 pound sacks. Also in barrels and half-barrels.

Purity may cost a little more than some flours but you'll find its more than worth the difference. Be to genuine, must bear the Purity trade mark.

## SPORT NEWS OF A DAY; HOME AND ABROAD

### Ring

Easy for Wells.

Madison Square Garden, N. Y., Sept. 20.—Abe Attell, the featherweight champion, tried the impossible tonight by conceding about 13 pounds in weight to the English lightweight champion, Matt Wells, at Madison Square Garden.

Wells being equally as clever as the American in every ring move, had the almost from the start and won handsily. It was a fast, clean and clever exhibition of boxing with none of the bloody features of the Flynn-Morris contest in the same ring last week.

Handicap matches like the one tonight do not count for much as Wells cannot claim much credit, while his beaten opponent has the sympathy of every one who witnessed his same efforts to battle against odds that would have scared any other one in his class.

### Easy for Leach Cross.

Leach Cross outpointed and outboxed Paddy Sullivan all the way in a ten-round battle at the Olympic A. C., New York, the other night. Cross was back to his old form and made Sullivan look rather foolish. All through the fray Leach was hopping round his slowfooted antagonist, pecking away with rights to the jaw and the head, and Sullivan looked rather foolish. The only round in which Sullivan appeared to have a possible chance was in the fourth. Through some unknown reason Sullivan lost his left eye right to the point of Leach's jaw. The walling slowed up the East Sider, and he backed away, somewhat worried. All through the round Cross kept backing away, but Sullivan failed to follow up his advantage, and at the bell Cross had recovered his senses.

In the fifth session, Leach rushed right at the bell and struck a few hard rights into Sullivan's stomach, which sent him good deal. Sullivan then covered up and let Leach do all the work.

The last three rounds were much the same. Cross rushing after his man and punning him with body blows galore. But the steam behind Leach's blows was lacking, and Sullivan stood up and did the best he could.

In the last round Sullivan woke up and tried to mix. It was too late, for Cross had confidence to give away, and shot over his deadly right to the jaw and the head, in one flash he managed to pop Sullivan over the left eye, and the game began to trickle. Up to the time of the knock-out, Leach had everything running his way, and the battle ended with Leach Cross back in the game with a clean-cut victory to his credit.

Gets \$15,000 for King James.

New York, Sept. 19.—H. H. O'Connell bought King James from S. C. Hildreth yesterday at private terms, but gossip about the stable at Sheepshead Bay put the price at \$15,000. O'Connell, the owner of Blue Ridge stud, at Upperville, Va., and has been looking for a good stallion to breed at the stud of his own.

He has long been an admirer of King Jimmy, as the men and boys about the stable call the son of Plaudit, and was prepared to bid for him at the Hildreth sale on Sept. 17, which was suddenly called off, although only four horses had been sold, because of the poor prices. King James is a fine specimen of thoroughbred.

### MISS THOMSON TO TAKE PART IN THE CHAMPIONSHIPS

Ladies' Golf Competitions on Ottawa Links Next Week—Will Close on Sept. 30

Easy for Wells.

A Canadian Associated Press despatch from Ottawa says that arrangements are practically complete for the ladies' championships meeting of the Royal Canadian Golf Association, which is to be decided next week on the links of the Ottawa club.

Miss Dorothy Campbell, Canadian, British and United States champion, will be there to defend her title, also Miss Mabel Thomson of St. John, who held the honor for many months. The Royal Montreal, Beaconsfield, Outremont, Toronto, Lambton and Hamilton clubs will send many competitors while Ottawa will likewise be well represented.

The course has been shortened for the ladies, changes being made in the distance between the majority of the holes. ### AMUSEMENTS IN ST. JOHN; WHAT THE PLAYHOUSES OFFER

The Paul Arard Trio, and the opportunity of hearing full orchestral music, it is believed, shall be sufficient to draw thousands to the Lyric tonight. At considerable expense the direct wire service has been installed which will keep patrons informed just as rapidly as is possible, so that none need have the returns in discomfort by any means.

The theatre will open soon after 6 o'clock. The programme for the evening is said to be of remarkable merit. Every incident of interest in connection with the election will be noted from the stage, and during the excitement of the evening it is said there will be no more restful and interesting spot than the Lyric.

### AFTER DOCTOR'S FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Midgie Station, N. B.—One can hardly believe that it is not natural, but it was my case. For ten months I suffered from different medical ailments, but none of the doctors I consulted would go into a case like mine. One day a friend told me of Lydia E. Pinkham's Vegetable Compound, and at the second bottle showed improvement. Now I am regular and never was so well in my life, thanks to Mrs. Pinkham's medicine.

Please publish my letter for the benefit of others.—Mrs. JOSEPH W. HICKS, Midgie Station, N. B.

Indian Head, Sask.—Lydia E. Pinkham's Vegetable Compound is indeed a boon to women who suffer from female ills. My health is better now than it has been in my five years of married life and I thank you for the good your advice and medicine have done me. I had spent hundreds of dollars on doctors without receiving any benefit.—Mrs. FRANK COOPER, Box 448, Indian Head, Saskatchewan.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound.

## HER SKIN SEEMED ON FIRE

### Every Other Treatment Failed But "Fruit-a-tives" Cures

Grande Ligne, Que., Jan. 2nd, 1910.

"My wife was greatly distressed for three years with chronic Eczema on the hands, and the disease was so severe that it almost prevented her from using her hands. The doctor gave her several ointments to use, but none of them did any good. He also advised her to wear rubber gloves and she wore out three pairs without getting any benefit. As a last resort, I persuaded her to try 'Fruit-a-tives,' and the effect was magical. Not only did 'Fruit-a-tives' cure her Eczema, but the itching, which she suffered from, was also completely cured."

We wish to present good health to "Fruit-a-tives" as the only medicine in the world made of fruit juices and valuable tonics, and is the greatest of all blood-purifying remedies.

Box a box—6 for \$2.50—or trial size 25c. At all dealers or from Fruit-a-tives, Limited, Ottawa.

### AGREEMENT SIGNED: THE ALBERT RAILWAY RAILS ARE BEING DELIVERED

Hon. William Pugsley received a telegram yesterday from A. W. Campbell, deputy minister of railways, Ottawa, which was as follows:

"Have wired instructions to Moncton to have rails for Salisbury & Albert Railway delivered at once."

Mr. Campbell received yesterday from New York the signed agreement sent by President Swan, of the Salisbury & Albert Railway, for the taking over of the road by the government, and upon receipt of the signed agreement the deputy minister, as stated in his telegram, wired instructions to Moncton to deliver the rails necessary for the repair of the railway.

These rails have been loaded on cars for some time, ready for delivery as soon as the agreement was signed.

All of which is good news for the people of Albert county, where the repair and immediate operation of this needed railroad has been a question of great interest.

Since N. B. Sept. 29.—(Special.)—Dr. D. H. McAlister tonight received the following telegram from D. Pottinger, general manager of the I. C. R., Moncton:

"Agreement for the taking over of the Salisbury & Albert road has been executed and rails are being shipped from here for the Albert Railway."

Thus, Dr. McAlister and the other Liberal leaders have kept faith with the people of Albert county in spite of Conservative obstruction.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years it was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Schmidt to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by Dr. J. C. Warner & Co., Toledo, Ohio, is the only constitutional cure on the market. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
