

2. That he has attended one six months course or two three months courses of Medical Jurisprudence, one six months course of Pathology, one three months course each of Botany, of Hygiene and also of Practical Chemistry and Microscopy, and also a course of not less than twenty-five demonstrations upon Microscopic Anatomy, Physiology and Pathology.
3. That he has attended not less than two six months courses of Clinical Medicine and Clinical Surgery.
4. That he has attended two six months courses of Practical Anatomy.
5. That he has attended for at least eighteen months, or three periods of six months each, the Medical and Surgical practice of a Hospital in which are contained not less than fifty beds under the charge of not less than two physicians or surgeons, and that he has been engaged for at least six months in compounding and dispensing medicines at a Hospital, a Dispensary, or with a duly licensed practitioner.
6. That he has attended at least six cases of midwifery, either in a lying-in-hospital, or in private practice under the supervision of a regular medical practitioner.

VIII. Out of the four years of medical and surgical study required by Clause III one full course on each branch mentioned in Sections 1 and 2, Clause VII., must be attended in this University.

IX. Courses of less length than the above (Clause VII.) will only be received for the time over which they have extended.

X. Every candidate for the Degree must on or before the first day of March deliver to the Dean of the Medical Faculty—

1. A declaration, in his own handwriting, that he has completed his twenty-first year of age (or that he will have done so before the day of graduation).
2. A statement of his studies, accompanied with proper certificates.

XI. Every candidate shall be examined both in writing and *viva voce*. The examinations are divided into Primary and Final.

a. The Primary, comprehending. Anatomy, Chemistry, Practical Chemistry, Materia Medica, Physiology, and Botany or Zoology.

b. The Final—Practice of Medicine, Clinical Medicine, Surgery, Clinical Surgery, Midwifery and the Diseases of Women and Children, Medical Jurisprudence, Pathology and Hygiene.

XII. Candidates may, if they choose, be admitted to examination on the Primary Branches at the end of the third year of their study. The Final Examination shall not take place until the candidate has completed his fourth year of study.
