EUROPEAN TROOPS TO TAKE FIELD

SIX THOUSAND WILL OPPOSE THE REBELS

German, Japanese and French Soldiers Will Assist in Quelling Rebellion in North China.

Particulars of the big fire in Hong-kong in which a million dollars' worth of Logan, flowers; Mrs. Frith, flowers; Miss the lost Condor, has had some interesting kong in which a million dollars worth of property was destroyed last month indiscate that the conflagration had gained great headway before any water was and Mrs. Archibald (Nanaimo), wreath; and wreath; and wreath; and wreath; and wreath; and wreath; and wrea was being played.

Recent telegrams from North China as published in the Oriental papers received by R. M. S. Empress of China seem to put a serious complexion on the outlook by the announcement that a considerable body of foreign troops—Ger-Stephens. man, Japanese, and French, numbering over 6,000 in all—were to take the field against the rebels or rioters—however they may be regarded.

A-Tien Tsin correspondent writing to a Hongkong contemporary gives an account of the causes of the trouble, and obedience. What they did then in compliance with command they are now dong in their own interests, and as many of them have arms, doubtless reserved from 1900, they are not to be lightly dealt with. The newly enrolled troops sent against them were either insufficiently armed or did not know how to thousand more troops have now been dispatched from Pekin with orders under edict to capture or stay the leader Liu. and disband the malcontents."

The correspondent adds: "These rebels are merely resisting in the ordinary Chinese way what they are pleased to regard as an unrighteous squeeze; otherwise one would welcome a movement which might link up with the southern outbreak. In the sight of trade it is an unholy thing to invoke rebellion come sometime, and better first than

Baby's Own Tablets

Come as a message of hope to all worried mothers. It

is the best medicine in the world for stomach, bowel and

teething troubles, which make little ones weak, sickly and

peevish. It will make your baby well and keep it well,

and there is nothing in it that can harm the smallest,

Mrs. James Fraser, Ridgetown, Ont., says:—"When I first began using Baby's Own Tablets my baby was so fretful and cross that I scarcely knew what to do with her. She was teething and was quite sick. She vomited a good deal, had frequent attacks of colic and was quite constipated. She was very nervous and got but little sleep and when she did sleep she would sometimes wake with a start and scream. I got a box of Baby's Own Tablets and since using

with advantage.

them her stomach is sweet, she does not vomit and he

bowels are regular. She sleeps well, has a good color, and is now a fat, healthy looking, good natured baby. I would not be without the Tablets since I know their value, and I can highly recommend them."

These are strong hopeful words

from a mother who has proved the

value of Baby's Own Tablets, to

all mothers. If your baby is ail-

ing the Tablets will give prompt

relief and make a perfect cure.

Crush them to a powder and you
