To Free Your Skin of Hair or Fuzz (Boudoir Secrets)

No toilet table is complete without a small package of delatone, for with it hair or fuzz can be quickly banished from the skin. Delatone is a hair remover which is mixed into a paste of the powder and water to cover the objectionable hairs. This should be left on the skin about two minutes, then rubbed off and the skin washed, when it will be found free from hair or bluishness. Be sure you get genuine delatone.
