# METHODISTS FILL A LONG LIST OF LEADING OFFICES

Toronto or Winnipeg Likely  
To Get Next National Con-  
ference — General Trend  
Towards Co-ordination in  
Young Peoples' Work.

Hamilton, Ont., Oct. 15.—The elec-  
tion of officers was the chief business  
of the Methodist conference today. The  
election of the steward to the Toronto  
book room, around which so much in-  
terest centered was not decided on  
the first vote. A second vote was tak-  
en and Rev. W. F. Falls, of Calgary,  
was declared elected.  
The other nominees for the position  
were as follows: W. C. Kettlewell,  
Rev. R. D. J. Simpson and Rev. A. M.  
Sandford.

The election of other officers result-  
ed as follows:  
Book steward, Halifax, F. W. Mos-  
her, Halifax; General Secretary of Sun-  
day Schools and Young Peoples' Soci-  
eties, Rev. Frank Langford, Toronto;  
General Secretary Foreign Missions,  
Rev. Dr. James Endicot, Toronto;  
Secretary forward movement in mis-  
sions, Rev. Fred H. Stephenson, M.  
D., Toronto; General secretary of  
evangelism and social service, Rev.  
Dr. T. A. Albert Moore, Toronto; edi-  
tor of the Christian Guardian, Rev.  
Dr. W. B. Creighton, Toronto; editor  
the Wesleyan, Rev. D. W. Johnston,  
Toronto, N. S.; editor of the Sunday  
School Periodicals, Rev. Dr. A. C.  
Crowe, Toronto; general secretary  
home missions, Rev. Charles E. Man-  
ning, Toronto; general secretary  
home missions, Rev. Charles E. Man-  
ning, Toronto; general secretary edu-  
cation society, Rev. Dr. J. W. Gra-  
ham, Toronto.

For Co-ordination.  
The general trend towards co-ordina-  
tion was reflected in the report of the  
Sunday schools committee which re-  
commended that the general board of  
Sunday schools and young people's so-  
cieties be changed to the general board  
of religious education and with the  
change to adopt the principle of co-  
ordination and co-related religious in-  
struction.  
Rev. Dr. Ernest Thomas of Vanco-  
ver, said that the idea was to weld  
the young people's societies to the  
Sunday school.  
The debate was adjourned before  
a decision was reached.  
A motion to have lay delegates on  
the standing committee, which hith-  
erto has consisted solely of ministers,  
was defeated. It looks as though To-  
ronto or Winnipeg would have the call  
for the next conference, although no  
decision has been reached as yet.

# GIRL JUMPS FROM THE OCEAN LIMITED

Petit Rocher Young Woman  
Severely Injured at Sack-  
ville Station.

Sackville, Oct. 15.—A Miss Dixon,  
of Petit Rocher, who was en route to  
Prince Edward Island, jumped off the  
east bound Ocean Limited at Sackville  
Station last evening before the train  
came to a standstill, and sustained  
serious injuries, also having a narrow  
escape from instant death. The young  
woman was thrown to the platform  
inflicting a severe scalp wound to the  
back of her head and one hand was  
caught beneath the wheels of the  
cars. She was taken to the Amherst  
hospital, where it was found neces-  
sary to remove three of the fingers of  
the left hand. It is thought the young  
woman will recover.

# ANOTHER SUBMARINE CAMPAIGN PLANNED

Amsterdam, Oct. 14.—There is good  
reason to believe that the German  
submarine warfare will reach a climax  
during the winter, according to the  
Rheinisch Westphaalian Gazette,  
which says that it will produce an  
economic crisis of unprecedented dimen-  
sions in Entente countries.  
London, Oct. 15.—Several of Ger-  
many's largest torpedo boats recently  
left Zeebrugge, on the Belgian coast,  
during a stormy night. They were  
filled to their capacity with soldiers  
and proceeded for Germany. The  
Germans also are reported to be evac-  
uating Ostend.

# UNCONDITIONAL SURRENDER STILL THE PEACE SLOGAN

There Is No Doubt Among Washington Officials  
That Sooner or Later Enemy Will Be Compel-  
led To Accept Uncompromising Terms.

Washington, Oct. 15.—Unconditional  
surrender, by Germany was the chief business  
of the British government early this  
morning. The council met shortly  
after 11 o'clock to consider the presi-  
dent's response.  
Amsterdam, Oct. 15.—The German  
government has proposed to France  
that, in common with her Allies,  
France undertakes to refrain from  
bombarding the large towns of North-  
ern France and enter into an agree-  
ment with Germany to permit, at any  
rate a portion, of the population of  
Valenciennes to pass into the French  
lines, says an official statement from  
Berlin.  
The Berlin government in making  
this proposal represented itself as un-  
able to prevent the eastward flight  
of the population of Valenciennes owing  
to their fears that the Allies would  
bombard the town. The proposal was  
made through the Swiss government.  
Basel, Monday, Oct. 14.—America's  
failure to respond to the Austrian  
peace note has produced a painful im-  
pression in Austria, according to a  
Vienna despatch. It is not known  
what this silence means and the pub-  
lic is asking if President Wilson is  
not indicating sentiment little favor-  
able toward the Austrian monarchy.

# TRANSPORT AMERIKA SUNK AT HER PIER

Big Vessel Was Formerly  
Hamburg - American Line  
Ship of 22,000 Tons.

Hoboken, N.J., Oct. 15.—The Ameri-  
can transport Amerika sank at her  
pier here this morning. She was re-  
ported to have troops on board, and  
although details of the incident were  
withheld by the authorities it was re-  
ported that between 30 and 40 of the  
crew were drowned in the boiler  
room.  
The troops were reported all to have  
been taken off safely.  
The cause of the sinking was un-  
known, but it was said that the ship  
was undergoing interior repairs that  
may have in some way had to do with  
the entrance of water into her hold.  
Washington, Oct. 15.—An official re-  
port to the navy department says a  
been on the Amerika shows none  
missing. There was no indication of  
the cause of the sinking. Steps are  
already under way for raising the  
ship.

# NEARLY 1,000 DEAD IN FOREST FIRES

Duluth, Minn., Oct. 15.—More than  
600 bodies of people burned to death  
in the forest fires which swept over  
northeastern Minnesota on last Sat-  
urday had been recovered today and  
it was expected this number would be  
increased by 300 and possibly 400  
when the entire devastated district  
has been gone over. Effort is being  
made to save live stock wandering  
through the burned district.

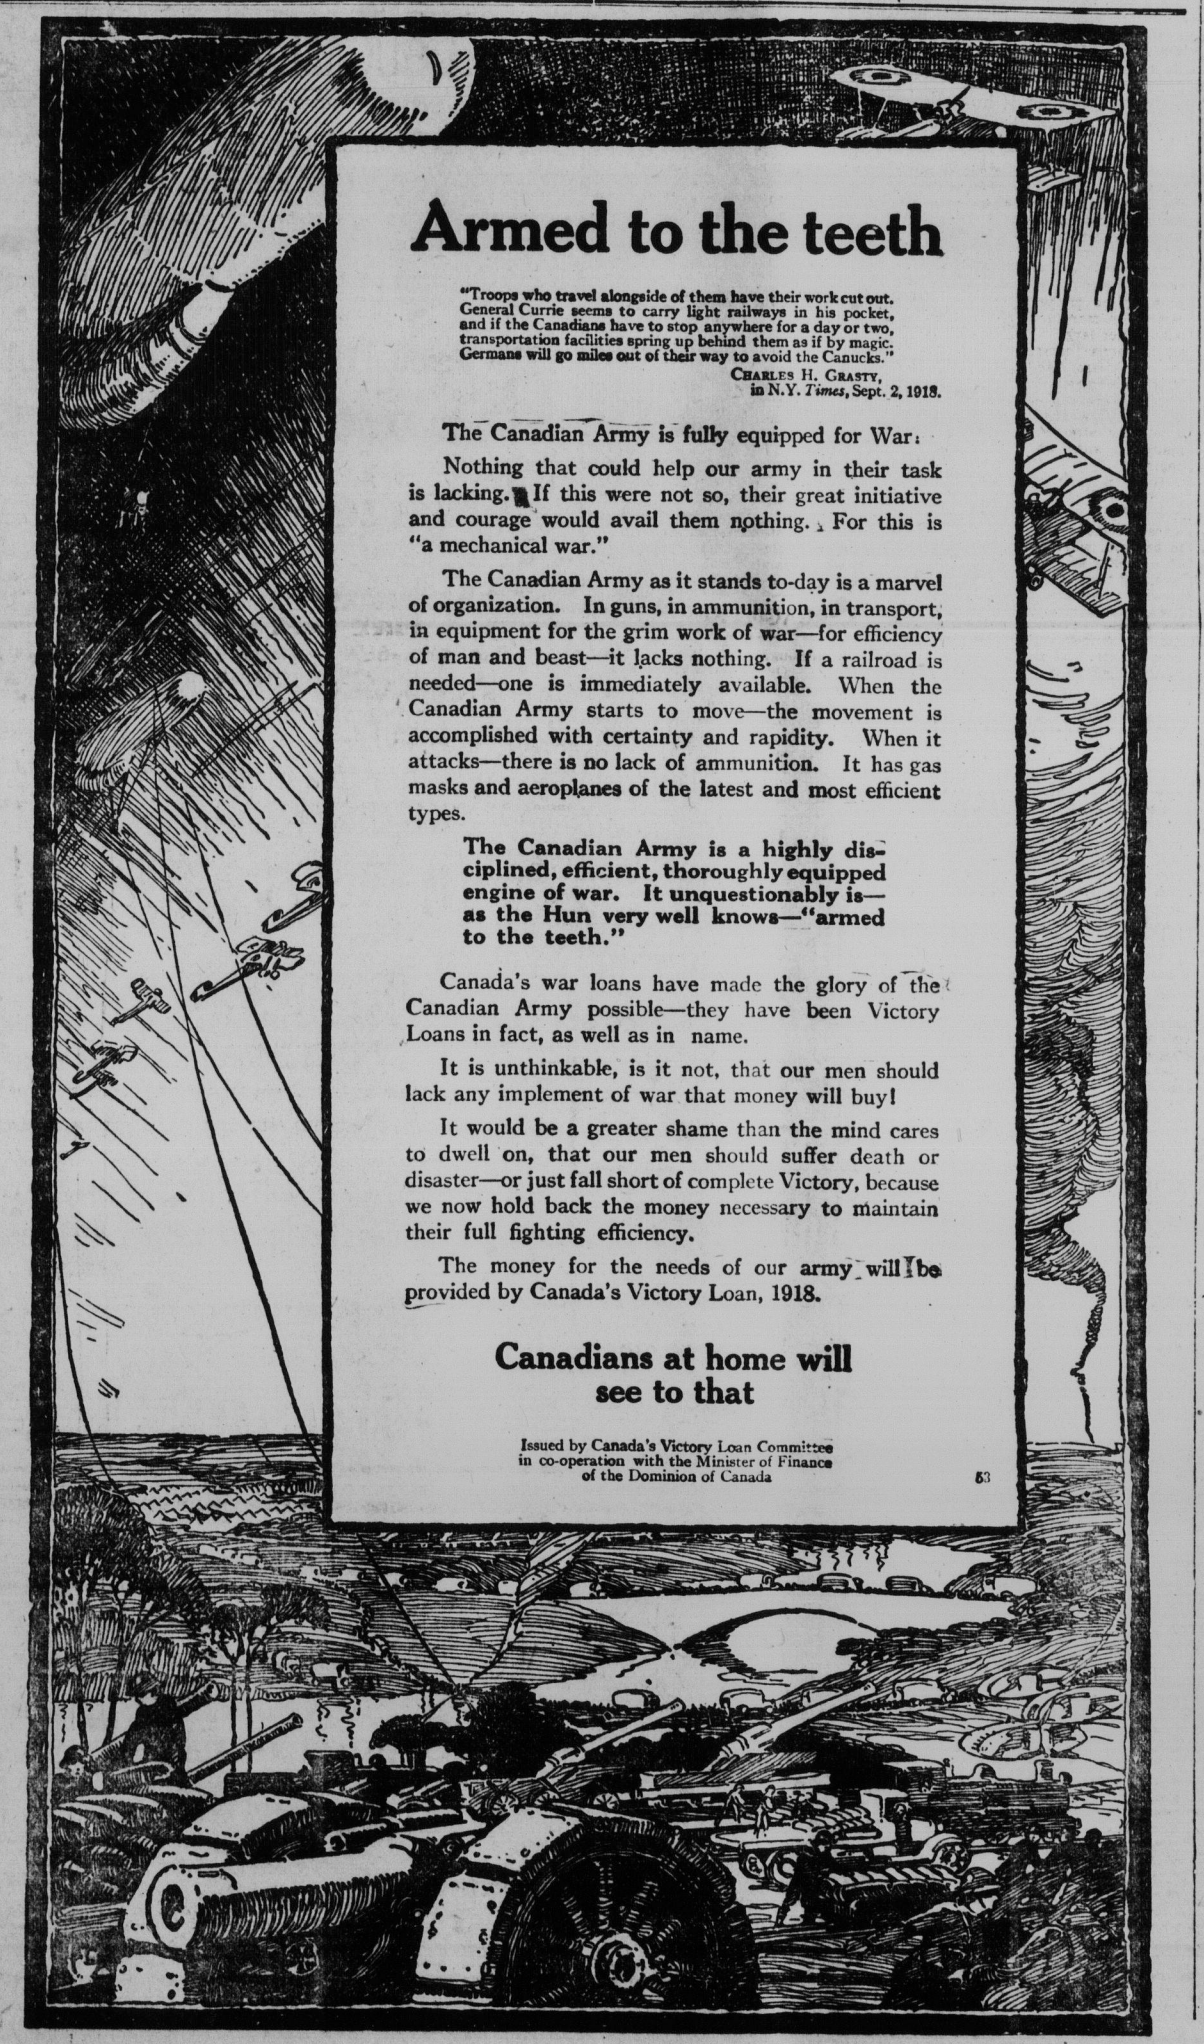

# NEW BRUNSWICK GIRL IS CLOSELY WATCHED

Belinda Jardine of Blackville  
Held for Trial in March on  
Charge of Shooting Police-  
man.

Halifax, Oct. 15.—Belinda Jardine,  
the young New Brunswick girl who  
was charged with attempted murder  
of Provost Sergeant Richard Hunt,  
and whose case came up again after  
a continuance, before Magistrate Field-  
ing, was sent up for trial at the su-  
preme court sittings, beginning the  
second Tuesday of next March. In  
the meantime she cannot be brought  
before any other court. She is now  
in the county jail, and the jailor and  
his deputy have been instructed to  
watch the girl well for signs of insan-  
ity, for the belief is in certain legal  
circles that the girl was either "doped"  
or is not mentally sound. If insanity  
symptoms develop in the meantime,  
she will be removed from the jail  
and placed in a sanatorium.  
The Jardine girl belongs in Black-  
ville. She has figured in escapades  
in St. John and Fredericton.

# FORMER ST. JOHN MAN'S SON HIT BY AUTO

Halifax, Oct. 15.—Walter, the seven-  
year-old son of Mr. and Mrs. William  
McCarthy, died in St. Joseph's Hos-  
pital, as a result of a fracture of the  
skull, caused by being struck by an  
auto driven by Ike Marshall. The lit-  
tle boy was on his way home when  
the accident happened. The lad's fa-  
ther formerly resided in the North  
End, St. John. Mrs. John Donohue,  
Fredericton, is a grandmother.

## Armed to the teeth

"Troops who travel alongside of them have their work cut out. General Currie seems to carry light railways in his pocket, and if the Canadians have to stop anywhere for a day or two, transportation facilities spring up behind them as if by magic. Germans will go miles out of their way to avoid the Canucks." — CHAS. H. GRANT, in N.Y. Times, Sept. 2, 1918.

The Canadian Army is fully equipped for War:

Nothing that could help our army in their task is lacking. If this were not so, their great initiative and courage would avail them nothing. For this is "a mechanical war."

The Canadian Army as it stands to-day is a marvel of organization. In guns, in ammunition, in transport, in equipment for the grim work of war—for efficiency of man and beast—it lacks nothing. If a railroad is needed—one is immediately available. When the Canadian Army starts to move—the movement is accomplished with certainty and rapidity. When it attacks—there is no lack of ammunition. It has gas masks and aeroplanes of the latest and most efficient types.

The Canadian Army is a highly disciplined, efficient, thoroughly equipped engine of war. It unquestionably is—as the Hun very well knows—"armed to the teeth."

Canada's war loans have made the glory of the Canadian Army possible—they have been Victory Loans in fact, as well as in name.

It is unthinkable, is it not, that our men should lack any implement of war that money will buy!

It would be a greater shame than the mind cares to dwell on, that our men should suffer death or disaster—or just fall short of complete Victory, because we now hold back the money necessary to maintain their full fighting efficiency.

The money for the needs of our army will be provided by Canada's Victory Loan, 1918.

## "Unto the least of these"

RIVET your eyes on this picture of a Belgian mother and child, until you feel the full horror of the situation! Thousands of these orphans, dying of starvation, might now be living in comfort and plenty, had their soldier fathers not flung themselves into the breach when the Hun invaded Belgium.

The fathers died to save us. Are we going to let the orphans starve? Conditions are simply ghastly. The United States loans to the Belgian Government finance the general relief work, but this only provides a bowl of soup and two pieces of bread to each person per day.

What is that for a growing child? The Slaughter of the Innocents is less terrible than what is now occurring in Belgium—practically a whole generation of the Belgian nation in the grip of Consumption, Rickets and other ills all directly due to insufficient nourishment.

The Canadian Bureau in Brussels will administer funds, and provide means for getting the ailing children into Holland and into orphanages where they can be saved from a hideous death.

Before you sit down to another meal, do SOMETHING for the Belgian children. . . . .
