

HOME MISSIONS.

(WINLAW.)

The Missionary in charge of the cluster of preaching stations in south-eastern Assiniboia known to us as the "Winlaw Mission" has been doing faithful and efficient service, as his own letters and those of Dr. Robertson, both of which have been read to the congregation, will abundantly show. This is a very important work and one which is very much appreciated in that sparsely settled district, and requires every encouragement at your hands. The Treasurer requests to report that the contributions have fallen off during the year and takes this opportunity of reminding the subscribers that the undertaking was to support the Missionary for three years.
