APPIN CHURCH REOPENING

The reopening of the Methodist
church at Appin on Sunday last was
an excellent success in every way.
At the three services the large and
thronging, lately so beautifully decorated,
was packed with appreciative
congregations.

In the morning Rev. Wm. Sterling,
of Cedar Springs, a former pastor of
the Appin circuit, preached from the
text "And Enoch walked with God,
and was not, for God took him," es-
pecially emphasizing the wonderful
outcome in life caused by the influ-
ence of communion with the Heav-
enly Father. The speaker stressed
the necessity of walking in the way
of salvation and living a life worth
while.

At the afternoon service Rev. I.
Couch, of Strathroy, was the speaker
and gave an uplifting and forceful
sermon on the subject "The neces-
sity of the spiritual awakening,"
taken from the text 1st John 4: 9-11.

In the evening Rev. Mr. Sterling
again took the service and spoke
from Phil. 2: 7-9, in which he pic-
tured the joy of the indwelling of
the spirit of Jesus Christ and its re-
sult in the heart of the true
Christian. Although a heavy rain
came up about 6:30 it did not keep
the people away, as the church was
filled before the hour of service.

At all three services the Maple
Leaf Quartette, of Galt, who were
engaged for the occasion, sang very
beautifully. Not alone was the gos-
pel given in sermon, but in song, by
their excellent rendition of several
beautiful numbers.

Collection for the day was very
satisfactory, amounting to over \$250.

Corn crumble the feet and make
walking a torture, yet sure relief in
the shape of Holloway's Corn Re-
mover is within reach of all.

WESTERN HARVEST

The Canadian West has been fa-
vored on the whole with splendid
weather for harvesting and the grain
is moving to lake and sea ports with
great dispatch and regularity. Prices
continue to show advances of thirty
to forty-two cents a bushel higher
than a year ago and the resultant
benefit to the farmer should be re-
flected in very much improved busi-
ness conditions throughout a large
section of the country. Definite de-
claration that Russia is out of the
grain exporting business this year is
given in a government note, and in
order to keep down prices the export
of grain must cease. This is taken
as one way of admitting that the
Russian harvest this year is not a
good one.

WARDSVILLE HOTEL BURNED

Our Wardsville correspondent
writes:—Fire of unknown origin,
which broke out at 3 a.m. Saturday,
destroyed the barns and hotel of
Jacob Wilson on Main street. The
Rodney and Glencoe fire brigades
responded promptly to a call for help
and prevented what threatened to
be a much more serious fire, as sev-
eral buildings two and three blocks
distant caught fire.

The Commercial Hotel was one of
the oldest buildings in the village,
but was in first-class repair and was
far famed for its good meals and ex-
cellent management. It is sincerely
hoped the Wilson and Reid families
will again open up or rebuild, so
they will not leave the village.

The loss, which is extremely
heavy, is partly covered by insur-
ance.

It is stated that traffic on the
Great Lakes is only one-fourth what
it was fifty years ago.

AT THE TENNIS COURTS

A tennis tournament of much in-
terest was held on the local courts
Thursday afternoon, when members
of Chatham tennis club played a re-
turn game with Glencoe. In all
eight events were played, each club
winning four.

In the mixed doubles Mrs. Moul-
throp and Mr. Abraham defeated Mr.
and Mrs. E. A. Mayhew; Dr. and
Mrs. Kenzie defeated Lorna Luck-
ham and Harry Moss; Evelyn Mc-
Lachlan and Mr. Hill won from Miss
Jarvis and Mr. Robinson; Miss Gil-
les and G. Dickson won from Miss
Hicklin and Mr. McKay. In the
ladies' singles, Betty Grant won
from Miss Jarvis; men's singles, Mr.
Robinson won from H. I. Johnston;
ladies' doubles, Evelyn McLachlan
and Mrs. Hill won from Mrs. Kenzie
and Mrs. Moulthrop; men's doubles,
Mr. Abraham and Dr. Kenzie won
from R. D. McDonald and E. May-
hew.

The local players are to be con-
gratulated on tying the score with
Chatham, as two of their players
hold the championship for Essex and
Kent.

After the games the participants
were entertained at the home of Mr.
and Mrs. E. A. Mayhew.

GUILD MEETINGS RESUMED

Interest, animation and success
marked the opening meeting for the
season of the Presbyterian Guild,
held on Monday evening, when about
forty young people were present.

Business included the following
nominations to fill the vacancies of
the executive committee:—Secre-
tary, Agnes McEachern; literary
committee, Frances Sutherland (con-
vener) and Florence Keith; mission-
ary convener, Mrs. H. I. Johnston.

The social committee, consisting
of Lorna Luckham, Mollie Tait, Jean
Abbott, introduced a lively program,
Miss Tait presiding. Community
singing occupied about ten minutes'
time and was heartily enjoyed by
everyone.

The members were then divid-
ed into two sides—whites and
greens—to take part in various con-
tests, the greens winning by one
point. Eleanor Sutherland and Ha-
zel McAlpine favored the gathering
with a violin and cello duet, "A Per-
fect Day." At the close lunch was
served. Next week's meeting will
be in charge of the devotional com-
mittee—R. D. McDonald (convener),
Evelyn McLachlan and Charles Cum-
ming.

SIGNS OF PROSPERITY AT

THE J. N. CURRIE & CO. STORE

An air of optimism is abroad
throughout Canada. Bountiful har-
vests will bring more money into
the purchasing power of the public.
The noticeable lowering of prices
in nearly all merchandise will fur-
ther encourage the incentive to buy.
"Business has shown greater activ-
ity every month," says Mr. Currie,
"and we are purchasing in a broader
way, importing again from European
markets and getting a better class
of merchandise at much less money."

McCLURE—WOODS

A quiet wedding was solemnized
at the Presbyterian manse in Wind-
sor on Saturday evening, September
29, when Lillian Woods, of Glencoe,
was united in marriage to McKinley
W. McClure, of Windsor. The bride
was attended by her cousin, Hazel
Armstrong, while Alfred Killinback
attended the groom. After the cere-
mony the young couple went to the
home of their friend, Mrs. St. Am-
ond, on Elm avenue, where a pleas-
ant evening was spent with a num-
ber of their friends. They received
many lovely gifts. The young cou-
ple left on a honeymoon trip to Buf-
falo and Niagara Falls. On their re-
turn they will reside in Windsor.

GRANES—WILSON

A pretty wedding was solemnized
at the summer home of Mr. and Mrs.
Howard Q. McCormick, Cass Lake,
Mich., when Miss Jessie Eleanor
Jean, second youngest daughter of
Mr. and Mrs. Thomas J. Wilson, of
North Glencoe, became the bride of
Alfred Granes, of Ionia, Mich. Prior
to leaving on a wedding trip to
Cleveland, Grand Rapids, Lansing
and Ionia, Mr. and Mrs. Granes were
pleasantly surprised at the home of
Mr. and Mrs. R. Colby, when they
were presented with miscellaneous
gifts. Mr. and Mrs. Granes will
make their home in Pontiac.

The death is recorded of Mrs. S.

Mitchell, one of the oldest residents
of Brooke township. She was in her
72nd year and was a daughter of the
late Hiram Croft, who came from
Ekfrid township in 1853.

HOPE FOR IMPROVEMENT

Frederick Zapfe, of Parkhill, who
was recently appointed a magistrate
with jurisdiction over the western
part of Middlesex, was sworn in on
Wednesday by Crown Attorney A. M.
Judd. Magistrate Zapfe is to be one
of the first salaried rural magistrates
in Ontario. The appointment is re-
ported as a move in the direction of
the abolition of the fee system to
which strong objection has been taken.
Mr. Zapfe will have a traveling
commission and will hold court in
various villages on a schedule to be
arranged through the Crown At-
torney's office. In this manner it is
hoped to reduce the cost of police
service, and especially to curb the
court costs imposed upon offenders.

BIBLE SOCIETY MEETING

The annual meeting of the Glen-
coe branch of the Bible Society was
held on Friday evening, October 3rd,
in the lecture room of the Presby-
terian church. The president, Rev.
W. Williams, presided. The secre-
tary's report, which was given by
Miss Mollie Tait, and the treasurer's
report, given by Dr. McLachlan, in-
dicated that good service was ren-
dered to the Bible Society during
the past year. The canvass last
year amounted to \$175.95.

Rev. R. J. Bowen, F.R.G.S., district
secretary, gave an interesting ex-
planation of how the writings of the
Bible have been preserved through the
ages. With lantern views he il-
lustrated what the old documents
were like. The ancient versions
were touched on and types of writ-
ing in various ancient languages
were depicted on the screen—He-
brew, Syriac, Greek, Egyptian, Hier-
oglyphics. The lecturer impressed
upon the minds of all who were
present the extraordinary care that
has been expended in securing exact
copies of the ancient Scriptures and
the unique ways in which the Bible
has come down to our own day.

Under Divine guidance the Bible
is now translated into 566 languages,
and the Bible Society exists for one
thing alone—to deliver the word of
God without note or comment to ev-
ery man in his own tongue.

The following officers were elected
for the ensuing year:—President,
Rev. W. Williams; vice-presidents,
Rev. D. G. Paton and Rev. A. S.
Whitehall; secretary, Miss M. Tait;
treasurer, Dr. J. Y. McLachlan; ex-
ecutive committee—Mrs. Williams,
Mrs. Whitehall, Mrs. Paton, W. D.
Moss, J. N. Currie, Neil McAlpine,
Dr. R. J. Mumford, J. G. Lethbridge,
W. A. Hagerty, Alex. McAlpine, Jas.
Poole.

LEAGUE OPENING

The Young People's League of the
Methodist church opened on Mon-
day, October 6, for fall and winter
work. There was a good attendance
and a splendid program.

Featuring the program was a pag-
eant put on by seven of the members
in costume. The theme was Nation-
al Brotherhood, and the following
represented the different nations:
White man, T. A. Craig; negro race,
Will Reycraft; Japanese, Emma Rey-
craft; Chinese, Ella Samson; Hindu,
Stanley McCutcheon; white boy,
Charles George; Spirit of Christian-
ity, Nualla Stuart.

Mr. Whitehall gave a short talk
on plans for the winter's work, after
which the young people enjoyed a
half-hour recreation.

AT THE BOWLING GREENS

A challenge game for the Charlton
trophy was played on Monday night,
when C. E. Davidson and John Hay-
ter defeated C. O. Smith and Frank
Hayter by a score of 29-6. This
makes six consecutive trophy games
won by Messrs. Davidson and Hay-
ter.

The large increase in membership
may decide the club to purchase a
lot adjoining the greens, which will
give accommodation for sixteen
rinks in all.

PRACTICAL EXAMPLES

An experiment to be carried out
by the Ontario Department of Agri-
culture involves the purchase of
farms in different sections of the
province, to prove to the rural com-
munity that the advanced methods
of the department make farming pay.
The farms so selected will be those
which have not made profits lately.
If he so desires the owner of each of
these farms may be the one to con-
tinue working it, but he must do so
under the direction and instruction
of the department's representative in
his particular district. What is im-
posed at is to prove that the depart-
ment's ideas mean actual profits for
farmers, and do not depend upon
government grants or expenditures
beyond the owner's means.

A DAY WITH THE ATHLETES

Splendid Success of the W.O.S.S.A.
Field Day Exercises

The second annual field and track
meet of this district W.O.S.S.A. was
held at the agricultural grounds on
Friday. The weather man was on
hand and did his part nobly. Cou-
pled with his work the attitude
shown by both contestants and fans
made the day one long to be remem-
bered.

Athletes were present from Alvin-
ston, Rodney and Glencoe. At ex-
actly 10 a.m. the lengthy program which
was drawn up last spring by a joint
committee representing all the
schools concerned opened, and not a
dull moment was experienced until
the final tug-of-war was over.

While our local school succeeded
in carrying off the highest honors,
many of the events were very close-
ly contested, and we are anticipating
better competition next year when
some of the later entries have be-
come better trained.

The boys' senior events were very
interesting. H. Leitch, Alvinston,
and W. Treastin, Glencoe, fought
hard for supremacy in the dashes,
honors of which went to the latter.

The jumps were equally divided
between H. Leitch of Alvinston, W.
Moss of Glencoe, G. Vogan of Rod-
ney, and M. Webster of Glencoe,
while the half-mile was won by R.
Connor of Alvinston, with W. Moss
of Glencoe a close second.

The intermediate boys' events
were fairly well gobbled up by Glen-
coe, K. Webster, J. Allan, G. McDon-
ald and H. McKellar being the stars.
The honors of the juniors, how-
ever, went to Rodney, Hoover win-
ning the medal very easily. Glencoe
juniors—L. Lucas, F. George, G. Mc-
Kellar and T. Hillam—made a good
showing and with another year's
training will entertain their oppo-
nents royally.

The girls' events were not nearly
so closely contested. The seniors—
A. Switzer, Vera and Verna Hender-
son, A. Watts, L. Gould, M. McNabb,
J. Elliott and F. Murphy—practically
swept all before them. A Switzer
deserves special mention for her
speed in the dashes. Vera Patter-
son, of Alvinston, very easily took
first place in the shot put.

The junior girls provided a much
closer competition and the honors
were more evenly divided. Jean
Frayne, of Alvinston, was outstand-
ing, while E. Sutton, L. McCallum,
D. McAlpine, M. McKellar, E. McAl-
pine, M. Stuart, R. King and B. Mc-
Kellar put up a stiff battle, and the
result was in doubt until the very
last.

At six o'clock a supper was served
in the basement of the Methodist
church to the pupils, officials and
visitors. Over two hundred sat
down to a well-prepared meal which
had been arranged for by the senior
girls of the schools, under the direc-
tion of Miss Steele. Much credit is
due them for the splendid way in
which it was carried out. At eight
o'clock Principal Yorke called the
meeting to order and in a few well-
chosen words outlined the "Wossa"
organization from its inception to
the present and strongly stressed its
lofty aims and ideals.

Presentation of the various tro-
phies, medals and prizes, a list of
the winners of which is shown be-
low, was made by the following, each
of whom spoke in glowing terms of
the splendid sportsmanship display-
ed by the boys and girls: J. N. Cur-
rie, R. M. MacPherson, Rev. R. J.
Murphy of Wardsville, Principal
Miller of Alvinston and Principal
Graham of Rodney. During the ev-
ening the high school orchestra, un-
der the leadership of Eleanor Suth-
erland, provided splendid music and
brought the day to a close by lead-
ing in the National Anthem.

The following trophies, medals
and prizes were awarded:

coe; Rodney cup, girls—Glencoe.
