## SKATE JUICE

By Dan

"No ice, no practice, no condition, no good" said Manager Harry Wismer when asked to sum up the local Hockey situation.

Hick just about hit the nail on the head, and unless a cold snap arrives very soon it is going to handicap the Champions in their race for O.H.A. honors.

Hamilton has invited the team down there for an exhibition game, and it is probable they will go if they had need the practice.

If Hick's boys do accommodate the Ambitious City sports, it sincerely is to be hoped the Tigers will play a return game here. If Kitchener had their due the Hamilton team would play at least three games here to make up for "promised" games they owe during the past several years.

Next year it will be different for all indications point to the erection of an up to date arena next Summer. The plans for the building which will include an artificial ice plant are being drawn and when completed will be submitted to certain interested gentlemen.

The local juniors are beginning to worry over weather conditions more so than the seniors. The junior games are all local and suffer from lack of ice, they have no option but to sit tight and wait for the glass to drop. No so the seniors, who's next two

games are in Toronto on artificial ice, but even they may have to go down without another try-out.

There was ice at the auditorium this morning but the surface looked like the top of a nut-meg grater and would last about five minutes with a team on it. However the next couple of days may make a change for the better.

VETERANS LOSE TO DENTALS  
SCORE OF 8-2

In a listless game played at the Arena last night Dentals defeated Veterans by the score of 8 to 2. The

winners had the contest well in hand at all stages and were not forced to extend themselves to gain the decision.

Dentals started Olson and Hudson and kept Smylie and Box in reserve. The first named played fairly well but did not show enough to warrant placing him on the regular line-up. Bill Box got into the game in the second period, but he did not exert himself.

"Stan" Brown was the outstanding star of both teams. He made his opponent look foolish by the easy manner in which he outguessed them. Under the careful coaching of Dick Carroll the North Bay boys have shown vast improvement at all angles of the game, and he will have considerable watching in the future.

Toronto-The Irish teams meet once more to-morrow night at the Arena. The last time St. Patrick's and Newman Hall clashed the fans saw a smart contest with plenty of heavy checking to enliven things. While St. Patrick's won the Newman weren't outclassed and any means Manager "Joe" Brennan claims that his team has improved wonderfully since then. Team play has been developed and the forward line is playing nicely together. It was this department that was weak in the last game.

St. Patrick's who are tied with Kitchener for the group honors cannot afford to lose to Newman. The clashes between the Irish teams are always looked forward to with great interest as a spirit of friendly rivalry exists that adds to the excitement of the game.

PLAYER FOR NEWMAN HALL  
"Bob" Kilpatrick who played in Sudbury for several seasons, turned out with Newman Hall on Saturday afternoon.

From present indications the hockey teams are going to have a hard — or rather soft—time of it. Most of the O.H.A. rinks have only a thin layer of ice and it won't last very long. Weather indications are for continued mild weather, as that is what they are having in the west. Unless it turns cold, and does so very soon it will mean that the rinks will have to start all over again to make a bottom to build on. If the mild weather continues it will make a bad tie-up in the schedules.

They evidently think pretty well of the Dentals out in Winnipeg Manager "Bill" Box has received an invitation to take the team to the Manitoba city the second week in February to take part in the monster winter carnival to be held between 19th and 17th. Manager Box will give no definite answer until the remaining two games with Tigers are played. If Dentals win both they might be able to go, but if they break even it would mean a play-off and a cancellation of the trip.

WILL ALSO OPPOSE PEACE DEMANDS BEYOND WILSON'S FOURTEEN POINTS.

Basle, Switzerland, Jan. 19.—The German Government, according to a dispatch from Berlin, has appointed Count Von Brockdorff-Ritzau, the foreign minister, and Philipp Scheidemann as the heads of the German delegation to the peace conference. The Government has drawn lines of policy which the German delegation "must follow."

The German delegation, the dispatch says, will oppose the demands of the allies which go beyond the program outlined by President Wilson.
