Superintendent Murphy has this week had the grass removed from the gutters, which adds greatly to the appearance of the streets. The sidewalks of Main street have at various intervals been levelled with ashes, which, when it becomes firm, will be a great improvement.

The degree of LL. D. honoris causa was conferred at the convocation of Dalhousie college on Professor L. W. Bailey, of the University of New Brunswick, Rev. G. Patterson, D. D. of New Glasgow, and W. Kingford, LL. D., author of the History of Canada.

The inspector appointed under the act to prevent the spread of contagious diseases among fruit trees will make a second tour of inspection among the orchards in Wolfville on Monday next. There has already been considerable work done in cutting down infested trees, &c., and to prevent expense all owners of orchards should see that their trees are cleared of "Black Knot" before the inspector calls.

The town is just now being flooded with patent medicine pamphlets and circulars of all descriptions. In nearly every mail there is a batch of them, and are from companies in all parts of the world, from the "Hottentot Specific Co." in the proprietors of "Dr. Isenberg's Golden Ointment" of the North Pole. They are all guaranteed to cure every complaint, from a swollen head to consumption. If what the medicine men said were true, we could, by carefully following the "directions on the wrapper," become an immortal race. "Ood, 34 of little faith!" Even the "good night live to a ripe old age, if they would try these magic preparations.

BRADLEY'S FERTILIZERS.

THE BEST IN THE MARKET. Manufactured at North Weymouth, Mass. The largest fertilizer works in the world.

WHAT SOME OF OUR FARMERS SAY OF IT! DEVER DEER VILLAGE, February 14th, 1895.

Dear Sir, I used Bradley's potato fertilizer last spring for potatoes without manure with good results. I used it in the drills, about 300 lbs. per acre. The potatoes made a quick start, and got their growth sooner than those where I used manure, and were a better crop. I have used other fertilizers, but Bradley's is far ahead of any I have tested.
