Desire to remind their friends and the trade generally that all their New Importa-
tions are close at hand; in fact, half of them are in the warehouse, balance now in transit.
Having cleared all their last year's stock at the close of the season, a bright, catchy lot
may be looked for. All our business is done through the mails and by personal visits.
We are thoroughly convinced this is the right way to buy goods: Buy them often and
get different lines to your opposition, and enable yourself to make some profit. Goods
sold on the road are very much alike and they go into every store in town. Call and see
