

# The Ever-Ready Dress Stay THE OWEN ELECTRIC BELT & APPLIANCE CO.

FOR SALE BY DRY GOODS DEALERS.

INSIST upon HAVING the EVER-READY  
AND BEWARE OF IMITATIONS.

## Important Notice.

WE regret that, owing to the actions of unscrupulous men, we are compelled to warn the public against the schemes of pretended canvassers, who, claiming to be the agents for our patterns, obtain money by the fictitious establishment of agencies for the sale of our goods and by taking subscriptions for our publications.

Our attention has been called to the acts of these impostors, who, in each case, by promising terms which no house could possibly fulfil, have received an order for goods, and the unsuspecting customer has paid money on account of same. Besides claiming to handle patterns, they state they handle other goods, such as mantles, millinery, fancy goods, etc., and can supply these to the trade on commission.

As far as we know these swindlers have confined their attention to the Province of Ontario only, and have visited the Counties of Glengarry, Dundas, Grenville, Simcoe, Huron and Bruce. They have assumed the names of F. H. KEENE, H. BRUCE and F. BROWN.

### One Hundred Dollars Reward.

We make a standing offer of \$100.00 (One Hundred Dollars) as a reward to anyone securing the arrest, sentence and incarceration of any unauthorized person, who, representing himself as our agent, obtains money fraudulently, either by taking subscriptions for our publications or by the fictitious establishment of agencies for the sale of our patterns.

All of our representatives are able to produce abundant evidence of their authority to transact business for us, and, on request from anyone with whom they wish to do business, the evidence will be shown.

Any information in regard to any of these swindlers will be gratefully received.

ELECTRICITY AS APPLIED BY THE OWEN ELECTRIC  
BELT AND APPLIANCES

Is now recognized as the greatest boon offered to suffering humanity. It HAS, DOES and WILL effect cures in seemingly hopeless cases where every other known means has failed. By its steady, soothing current, that is easily felt, it will cure:

Rheumatism,	Liver Complaint,	Spermatorrhea,
Neuralgia,	Kidney Disease,	Impotency,
Dyspepsia,	Spinal Disease,	Sexual Exhaustion,
Constipation.	Nervous Complaints,	Epilepsy or Fits,
Sciatica,	Female Complaints,	Urinary Diseases,
Lumbago,	Varicocele,	Lame Back,
	General Debility.	

WE CHALLENGE THE WORLD

to show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. The ordinary belts are not so.

Other belts have been in the market for five or ten years longer, but to-day there are more Owen Belts manufactured and sold than all other makes combined. The people want the best.

### Extracts from Canadian Testimonials.

"Your Electric Belt cured a violent attack of Sciatic Rheumatism, of several months' standing, in eight days."—W. Dixon, Sr., Grand Valley, Ont.

"SAVED MY LIFE when I had Muscular Rheumatism."—Mrs. Carroll, 1015 West Market St., St. Louis.

"Am much pleased with belt; it has done me a great deal of good already."—J. Scrimger, Galt, Ont.

"Have been a sufferer for years from Nervous Headaches and Neuralgia. After trying one of your belts am more than satisfied with it."—Thos. Gales, 340 Crawford St., Toronto.

### BEWARE OF IMITATIONS.

Our attention having been attracted to the many base imitations of "THE OWEN ELECTRIC BELT," we desire to warn the public against purchasing these worthless productions put upon the market by unprincipled men, who, calling themselves electricians, prey upon the unsuspecting, by offering worthless imitations of the GENUINE OWEN ELECTRIC BELT that has stood the test of years and has a continental reputation.

OUR TRADE MARK is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by us. NONE GENUINE WITHOUT IT.

GEO. C. PITZER, M. D.,

Professor of the Theory and Practice of Medicine in the American Medical College, St. Louis, author of "Electricity in Medicine and Surgery," says:—

"St. Louis, Mo., June 10, 1886.  
"I take pleasure in stating that I have examined and tested Dr. Owen's Electro-Galvanic Belt and Appliance, and do not hesitate to say that it is the most practical and efficient of all the galvanic belts I have used in my practice. It is a very useful device, and will more than take the place of anything of the kind I have ever seen."  
"GEO. C. PITZER, M.D., 1110 Chambers Street."

Dr. Pitzer is the author of a very valuable work on "Electricity in Medicine and Surgery," and is considered the best authority we have in the world on electricity.
