

2<sup>d</sup> That the Government Inspector should use his influence with the Indians on the various Reserves to make their children attend the Day Schools; see to the most promising ones being drawn off to the Institutions or High Schools; and after they get through their course, see that they continue at the employment for which they have been trained.

It is submitted to the Department that unless some such course, as the one proposed above is adopted, Industrial Indian Schools can never be made as efficient and as useful as they ought to
