24th October

Sir,

I have to acknowledge the receipt of your letter of the 14th instant relative to the matter of the dues payable under the License covering the White Fish River Timber Limits; and in reply I have to inform you that as you were advised by official letter of the 10th December 1888, the Transfer of this License from the Smiths Estate to Mr John Charlton was duly accepted by the Department.

You should however collect dues on the timber cut by Mr J. H. Francis
